

Movies, Videos, Photographs and Press Conferences Policy

(as approved by the Executive Committee on April 19, 2007)

The State Bar Building, including its signage, is not available to members, the public, law firms, non State bar organizations and others for use in movies, videos, photographs and press conferences. This restriction may be waived by a majority of the five State Bar officers upon a showing of good cause. Requests for waivers should be in writing and contain a detailed description of the purpose, distribution, visual and text script, list of participants, list of equipment to be used, insurance coverage, and other information as requested by the State Bar's General Counsel and Executive Director.
