(a) *Sufficiency of description.* Except as otherwise provided in subsections (c), (d), and (e) of this Code section, a description of personal or real property is sufficient, whether or not it is specific, if it reasonably identifies what is described.

(b) *Examples of reasonable identification.* Except as otherwise provided in subsection (d) of this Code section, a description of collateral reasonably identifies the collateral if it identifies the collateral by:

   1. Specific listing;
   2. Category;
   3. Except as otherwise provided in subsection (e) of this Code section, a type of collateral defined in this title;
   4. Quantity;
   5. Computational or allocational formula or procedure; or
   6. Except as otherwise provided in subsection (c) of this Code section, any other method, if the identity of the collateral is objectively determinable.

(c) *Supergeneric description not sufficient.* A description of collateral as "all the debtor's assets" or "all the debtor's personal property" or using words of similar import does not reasonably identify the collateral.

(d) *Investment property.* Except as otherwise provided in subsection (e) of this Code section, a description of a security entitlement, securities account, or commodity account is sufficient if it describes:

   1. The collateral by those terms or as investment property; or
   2. The underlying financial asset or commodity contract.

(e) *When description by type insufficient.* A description only by type of collateral defined in this title is an insufficient description of:

§ 11-9-201. General effectiveness of security agreement.

(a) General effectiveness. Except as otherwise provided in this title, a security agreement is effective according to its terms between the parties, against purchasers of the collateral, and against creditors.

(c) Other applicable law controls. In case of conflict between this article and a rule of law, statute, or regulation described in subsection (b) of this Code section, the rule of law, statute, or regulation controls. Failure to comply with a statute or regulation described in subsection (b) of this Code section has only the effect the statute or regulation specifies.

(d) Further deference to other applicable law. This article does not:

1. Validate any rate, charge, agreement, or practice that violates a rule of law, statute, or regulation described in subsection (b) of this Code section; or

2. Extend the application of the rule of law, statute, or regulation to a transaction not otherwise subject to it.
§ 11-9-202. Title to collateral immaterial.

Except as otherwise provided with respect to consignments or sales of accounts, chattel paper, payment intangibles, or promissory notes, the provisions of this article with regard to rights and obligations apply whether title to collateral is in the secured party or the debtor.
§ 11-9-203. Attachment and enforceability of security interest; proceeds; supporting obligations; formal requisites.

(a) Attachment. A security interest attaches to collateral when it becomes enforceable against the debtor with respect to the collateral, unless an agreement expressly postpones the time of attachment.

(b) Enforceability. Except as otherwise provided in subsections (c) through (i) of this Code section, a security interest is enforceable against the debtor and third parties with respect to the collateral only if:

1. Value has been given;
2. The debtor has rights in the collateral or the power to transfer rights in the collateral to a secured party; and
3. One of the following conditions is met:
   A. The debtor has authenticated a security agreement that provides a description of the collateral and, if the security interest covers timber to be cut, a description of the land concerned;
   B. The collateral is not a certificated security and is in the possession of the secured party under Code Section 11-9-313 pursuant to the debtor's security agreement;

(2) The person becomes generally obligated for the obligations of the other person, including the obligation secured under the security agreement, and acquires or succeeds to all or substantially all of the assets of the other person.

(e) Effect of new debtor becoming bound. If a new debtor becomes bound as debtor by a security agreement entered into by another person:

(1) The agreement satisfies paragraph (3) of subsection (b) of this Code section with respect to existing or after acquired property of the new debtor to the extent the property is described in the agreement; and

(2) Another agreement is not necessary to make a security interest in the property enforceable.

(f) Proceeds and supporting obligations. The attachment of a security interest in collateral gives the secured party the rights to proceeds provided by Code Section 11-9-315 and is also attachment of a security interest in a supporting obligation for the collateral.

(g) Lien securing right to payment. The attachment of a security interest in a right to payment or performance secured by a security interest or other lien on personal or real property is also attachment of a security interest in the security interest, mortgage, or other lien.

(a) After acquired collateral. Except as otherwise provided in subsection (b) of this Code section, a security agreement may create or provide for a security interest in after acquired collateral.

(b) When after acquired property clause not effective. A security interest does not attach under a term constituting an after acquired property clause to:

(1) Consumer goods, other than an accession when given as additional security, unless the debtor acquires rights in them within ten days after the secured party gives value; or

(2) A commercial tort claim.

(c) Future advances and other value. A security agreement may provide that collateral secures, or that accounts, chattel paper, payment intangibles, or promissory notes are sold in connection with, future advances or other value, whether or not the advances or value are given pursuant to commitment.
§ 11-9-205. Use or disposition of collateral permissible.

       (D) Use, commingle, or dispose of proceeds; or

   (2) The secured party fails to require the debtor to account for proceeds or replace collateral.

(b) *Requirements of possession not relaxed.* This Code section does not relax the requirements of possession if attachment, perfection, or enforcement of a security interest depends upon possession of the collateral by the secured party.

(a) Security interest when person buys through securities intermediary. A security interest in favor of a securities intermediary attaches to a person's security entitlement if:

(1) The person buys a financial asset through the securities intermediary in a transaction in which the person is obligated to pay the purchase price to the securities intermediary at the time of the purchase; and

(2) The securities intermediary credits the financial asset to the buyer's securities account before the buyer pays the securities intermediary.

(b) Security interest secures obligation to pay for financial asset. The security interest described in subsection (a) of this Code section secures the person's obligation to pay for the financial asset.

(c) Security interest in payment against delivery transaction. A security interest in favor of a person that delivers a certificated security or other financial asset represented by a writing attaches to the security or other financial asset if:

In the case of chattel paper or an instrument, reasonable care includes taking necessary steps to preserve rights against prior parties unless otherwise agreed.

§ 11-9-306. Law governing perfection and priority of security interests in letter of credit rights.

(a) Governing law; issuer's or nominated person's jurisdiction. Subject to subsection (c) of this Code section, the local law of the issuer's jurisdiction or a nominated person's jurisdiction governs perfection, the effect of perfection or nonperfection, and the priority of a security interest in a letter of credit right if the issuer's jurisdiction or nominated person's jurisdiction is a state.

(b) Issuer's or nominated person's jurisdiction. For purposes of this part, an issuer's jurisdiction or nominated person's jurisdiction is the jurisdiction whose law governs the liability of the issuer or nominated person with respect to the letter of credit right as provided in Code Section 11-5-116.

(c) When Code section not applicable. This Code section does not apply to a security interest that is perfected only under subsection (d) of Code Section 11-9-308.
§ 11-9-307. Location of debtor.

(a) "Place of business." As used in this Code section, the term "place of business" means a place where a debtor conducts its affairs.

(b) Debtor's location; general rules. Except as otherwise provided in this Code section, the following rules determine a debtor's location:

(1) A debtor who is an individual is located at the individual's principal residence;

(2) A debtor that is an organization and has only one place of business is located at its place of business; and

(3) A debtor that is an organization and has more than one place of business is located at its chief executive office.

(c) Limitation of applicability of subsection (b) of this Code section. Subsection (b) of this Code section applies only if a debtor's residence, place of business, or chief executive office, as applicable, is located in a jurisdiction whose law generally requires information concerning the existence of a nonpossessory security interest to be made generally available in a filing, recording, or registration system as a condition or result of the security interest's obtaining priority over the rights of a lien creditor with respect to the collateral. If subsection (b) of this Code section does not apply, the debtor is located in the District of Columbia.

(d) Continuation of location; cessation of existence, etc. A person that ceases to exist, have a residence, or have a place of business continues to be located in the jurisdiction specified by subsections (b) and (c) of this Code section.

(e) Location of registered organization organized under state law. A registered organization that is organized under the law of a state is located in that state.

(f) Location of registered organization organized under federal law; bank branches and agencies. Except as otherwise provided in subsection (i) of this Code section, a registered organization that is organized under the law of the United States and a branch or agency of a bank that is not organized under the law of the United States or a state are located:
(1) In the state that the law of the United States designates, if the law designates a state of location;

(2) In the state that the registered organization, branch, or agency designates, if the law of the United States authorizes the registered organization, branch, or agency to designate its state of location, including by designating its main office, home office, or other comparable office; or

(3) In the District of Columbia, if neither paragraph (1) nor (2) of this subsection applies.

(g) Continuation of location; change in status of registered organization. A registered organization continues to be located in the jurisdiction specified by subsection (e) or (f) of this Code section notwithstanding:

(1) The suspension, revocation, forfeiture, or lapse of the registered organization's status as such in its jurisdiction of organization; or

(2) The dissolution, winding up, or cancellation of the existence of the registered organization.

(h) Location of United States. The United States is located in the District of Columbia.

(i) Location of foreign bank branch or agency if licensed in only one state. A branch or agency of a bank that is not organized under the law of the United States or a state is located in the state in which the branch or agency is licensed, if all branches and agencies of the bank are licensed in only one state.

(j) Location of foreign air carrier. A foreign air carrier under the Federal Aviation Act of 1958, as amended, is located at the designated office of the agent upon which service of process may be made on behalf of the carrier.

(k) Code section applies only to this part. This Code section applies only for purposes of this part.
§ 11-9-308. When security interest or agricultural lien is perfected; continuity of perfection.

(a) Perfection of security interest. Except as otherwise provided in this Code section and Code Section 11-9-309, a security interest is perfected if it has attached and all of the applicable requirements for perfection in Code Sections 11-9-310 through 11-9-316 have been satisfied. A security interest is perfected when it attaches if the applicable requirements are satisfied before the security interest attaches.

(b) Perfection of agricultural lien. An agricultural lien is perfected if it has become effective and all of the applicable requirements for perfection in Code Section 11-9-310 have been satisfied. An agricultural lien is perfected when it becomes effective if the applicable requirements are satisfied before the agricultural lien becomes effective.

(c) Continuous perfection; perfection by different methods. A security interest or agricultural lien is perfected continuously if it is originally perfected by one method under this article and is later perfected by another method under this article, without an intermediate period when it was unperfected.

(d) Supporting obligation. Perfection of a security interest in collateral also perfects a security interest in a supporting obligation for the collateral.

(e) Lien securing right to payment. Perfection of a security interest in a right to payment or performance also perfects a security interest in a security interest, mortgage, or other lien on personal or real property securing the right.

(f) Security entitlement carried in securities account. Perfection of a security interest in a securities account also perfects a security interest in the security entitlements carried in the securities account.

(g) Commodity contract carried in commodity account. Perfection of a security interest in a commodity account also perfects a security interest in the commodity contracts carried in the commodity account.
§ 11-9-309. Security interest perfected upon attachment.

The following security interests are perfected when they attach:

1. A purchase money security interest in consumer goods, except as otherwise provided in subsection (b) of Code Section 11-9-311 with respect to consumer goods that are subject to a statute or treaty described in subsection (a) of Code Section 11-9-311;

3. A sale of a payment intangible;

4. A sale of a promissory note;

5. A security interest created by the assignment of a health care insurance receivable to the provider of the health care goods or services;

12. An assignment for the benefit of all creditors of the transferor and subsequent transfers by the assignee thereunder; and
(13) A security interest created by an assignment of a beneficial interest in a decedent's estate.
§ 11-9-310. When filing required to perfect security interest or agricultural lien; security interests and agricultural liens to which filing provisions do not apply.

(a) General rule; perfection by filing. Except as otherwise provided in subsection (b) of this Code section and subsection (b) of Code Section 11-9-312, a financing statement must be filed to perfect all security interests and agricultural liens.

(b) Exceptions; filing not necessary. The filing of a financing statement is not necessary to perfect a security interest:

(1) That is perfected under subsection (d), (e), (f), or (g) of Code Section 11-9-308;
(2) That is perfected under Code Section 11-9-309 when it attaches;
(3) In property subject to a statute, regulation, or treaty described in subsection (a) of Code Section 11-9-311;

(10) That is perfected under Code Section 11-9-316.

(c) Assignment of perfected security interest. If a secured party assigns a perfected security interest or agricultural lien, a filing under this article is not required to continue the perfected status of the security interest against creditors of and transferees from the original debtor.
§ 11-9-311. Perfection of security interests in property subject to certain statutes, regulations, and treaties.

(a) Security interest subject to other law. Except as otherwise provided in subsection (d) of this Code section, the filing of a financing statement is not necessary or effective to perfect a security interest in property subject to:

1. A statute, regulation, or treaty of the United States whose requirements for a security interest's obtaining priority over the rights of a lien creditor with respect to the property preempt subsection (a) of Code Section 11-9-310;

2. Chapter 3 of Title 40; or

3. A certificate of title statute of another jurisdiction which provides for a security interest to be indicated on the certificate of title as a condition or result of the security interest's obtaining priority over the rights of a lien creditor with respect to the property.

(b) Compliance with other law. Compliance with the requirements of a statute, regulation, or treaty described in subsection (a) of this Code section for obtaining priority over the rights of a lien creditor is equivalent to the filing of a financing statement under this article. Except as otherwise provided in subsection (d) of this Code section and subsections (d) and (e) of Code Section 11-9-316, a security interest in property subject to a statute, regulation, or treaty described in subsection (a) of this Code section may be perfected only by compliance with those requirements, and a security interest so perfected remains perfected notwithstanding a change in the use or transfer of possession of the collateral.

(c) Duration and renewal of perfection. Except as otherwise provided in subsection (d) of this Code section and subsections (d) and (e) of Code Section 11-9-316, duration and renewal of perfection of a security interest perfected by compliance with the requirements prescribed by a statute, regulation, or treaty described in subsection (a) of this Code section are governed by the statute, regulation, or treaty. In other respects, the security interest is subject to this article.

(d) Inapplicability to certain inventory. During any period in which collateral subject to a statute specified in paragraph (2) of subsection (a) of this Code section is inventory held for sale or lease by a person or leased by that person as lessor and that person is in the business of selling
goods of that kind, this Code section does not apply to a security interest in that collateral created by that person.
 § 11-9-312. Perfection of security interests in chattel paper, deposit accounts, documents, goods covered by documents, instruments, investment property, letter of credit rights, and money; perfection by permissive filing; temporary perfection without filing or transfer of possession.

(a) *Perfection by filing permitted.* A security interest in chattel paper, negotiable documents, instruments, or investment property may be perfected by filing.

(b) *Control or possession of certain collateral.* Except as otherwise provided in subsections (c) and (d) of Code Section 11-9-315 for proceeds:

(1) A security interest in a deposit account may be perfected only by control under Code Section 11-9-314;

(2) Except as otherwise provided in subsection (d) of Code Section 11-9-308, a security interest in a letter of credit right may be perfected only by control under Code Section 11-9-314; and

(3) A security interest in money may be perfected only by the secured party's taking possession under Code Section 11-9-313.

(c) *Goods covered by negotiable document.* While goods are in the possession of a bailee that has issued a negotiable document covering the goods:

(1) A security interest in the goods may be perfected by perfecting a security interest in the document; and

(2) A security interest perfected in the document has priority over any security interest that becomes perfected in the goods by another method during that time.

(d) *Goods covered by nonnegotiable document.* While goods are in the possession of a bailee that has issued a nonnegotiable document covering the goods, a security interest in the goods may be perfected by:

(1) Issuance of a document in the name of the secured party;

(2) The bailee's receipt of notification of the secured party's interest; or

(3) Filing as to the goods.
(e) **Temporary perfection; new value.** A security interest in certificated securities, negotiable documents, or instruments is perfected without filing or the taking of possession or control for a period of 20 days from the time it attaches to the extent that it arises for new value given under an authenticated security agreement.

(f) **Temporary perfection; goods or documents made available to debtor.** A perfected security interest in a negotiable document or goods in possession of a bailee, other than one that has issued a negotiable document for the goods, remains perfected for 20 days without filing if the secured party makes available to the debtor the goods or documents representing the goods for the purpose of:

1. Ultimate sale or exchange; or
2. Loading, unloading, storing, shipping, transshipping, manufacturing, processing, or otherwise dealing with them in a manner preliminary to their sale or exchange.

(g) **Temporary perfection; delivery of security certificate or instrument to debtor.** A perfected security interest in a certificated security or instrument remains perfected for 20 days without filing if the secured party delivers the security certificate or instrument to the debtor for the purpose of:

1. Ultimate sale or exchange; or
2. Presentation, collection, enforcement, renewal, or registration of transfer.

(h) **Expiration of temporary perfection.** After the 20 day period specified in subsection (e), (f), or (g) of this Code section expires, perfection depends upon compliance with this article.
§ 11-9-313. When possession by or delivery to secured party perfects security interest without filing.

(a) Perfection by possession or delivery. Except as otherwise provided in subsection (b) of this Code section, a secured party may perfect a security interest in tangible negotiable documents, goods, instruments, money, or tangible chattel paper by taking possession of the collateral. A secured party may perfect a security interest in certificated securities by taking delivery of the certificated securities under Code Section 11-8-301.

(b) Goods covered by certificate of title. With respect to goods covered by a certificate of title issued by this state, a secured party may perfect a security interest in the goods by taking possession of the goods only in the circumstances described in subsection (d) of Code Section 11-9-316.

(c) Collateral in possession of person other than debtor. With respect to collateral other than certificated securities and goods covered by a document, a secured party takes possession of collateral in the possession of a person other than the debtor, the secured party, or a lessee of the collateral from the debtor in the ordinary course of the debtor's business, when:

(1) The person in possession authenticates a record acknowledging that it holds possession of the collateral for the secured party's benefit; or

(2) The person takes possession of the collateral after having authenticated a record acknowledging that it will hold possession of collateral for the secured party's benefit.

(d) Time of perfection by possession; continuation of perfection. If perfection of a security interest depends upon possession of the collateral by a secured party, perfection occurs no earlier than the time the secured party takes possession and continues only while the secured party retains possession.

(e) Time of perfection by delivery; continuation of perfection. A security interest in a certificated security in registered form is perfected by delivery when delivery of the certificated security occurs under Code Section 11-8-301 and remains perfected by delivery until the debtor obtains possession of the security certificate.
(f)  *Acknowledgment not required.* A person in possession of collateral is not required to acknowledge that it holds possession for a secured party's benefit.

(g)  *Effectiveness of acknowledgment; no duties or confirmation.* If a person acknowledges that it holds possession for the secured party's benefit:

1. The acknowledgment is effective under subsection (c) of this Code section or subsection (a) of *Code Section 11-8-301*, even if the acknowledgment violates the rights of a debtor; and

2. Unless the person otherwise agrees or law other than this article otherwise provides, the person does not owe any duty to the secured party and is not required to confirm the acknowledgment to another person.

(h)  *Secured party's delivery to person other than debtor.* A secured party having possession of collateral does not relinquish possession by delivering the collateral to a person other than the debtor or a lessee of the collateral from the debtor in the ordinary course of the debtor's business if the person was instructed before the delivery or is instructed contemporaneously with the delivery:

1. To hold possession of the collateral for the secured party's benefit; or

2. To redeliver the collateral to the secured party.

(i)  *Effect of delivery under subsection (h) of this Code section; no duties or confirmation.* A secured party does not relinquish possession, even if a delivery under subsection (h) of this Code section violates the rights of a debtor. A person to which collateral is delivered under subsection (h) of this Code section does not owe any duty to the secured party and is not required to confirm the delivery to another person unless the person otherwise agrees or law other than this article otherwise provides.
§ 11-9-314. Perfection by control.

(a) *Perfection by control.* A security interest in investment property, deposit accounts, letter of credit rights, electronic chattel paper, or electronic documents may be perfected by control of the collateral under Code Section 11-7-106, 11-9-104, 11-9-105, 11-9-106, or 11-9-107.

(b) *Specified collateral; time of perfection by control; continuation of perfection.* A security interest in deposit accounts, electronic chattel paper, letter of credit rights, or electronic documents is perfected by control under Code Section 11-7-106, 11-9-104, 11-9-105, or 11-9-107 when the secured party obtains control and remains perfected by control only while the secured party retains control.

(c) *Investment property; time of perfection by control; continuation of perfection.* A security interest in investment property is perfected by control under Code Section 11-9-106 from the time the secured party obtains control and remains perfected by control until:

1. The secured party does not have control; and
2. One of the following occurs:
   
   (A) If the collateral is a certificated security, the debtor has or acquires possession of the security certificate;
   
   (B) If the collateral is an uncertificated security, the issuer has registered or registers the debtor as the registered owner; or
   
   (C) If the collateral is a security entitlement, the debtor is or becomes the entitlement holder.
§ 11-9-315. Secured party's rights on disposition of collateral and in proceeds.

(a) *Disposition of collateral; continuation of security interest or agricultural lien; proceeds.* Except as otherwise provided in this article and in subsection (2) of Code Section 11-2-403:

1. A security interest or agricultural lien continues in collateral notwithstanding sale, lease, license, exchange, or other disposition thereof unless the secured party authorized the disposition free of the security interest or agricultural lien; and

2. A security interest attaches to any identifiable proceeds of collateral.

(b) *When commingled proceeds identifiable.* Proceeds that are commingled with other property are identifiable proceeds:

1. If the proceeds are goods, to the extent provided by Code Section 11-9-336; and

2. If the proceeds are not goods, to the extent that the secured party identifies the proceeds by a method of tracing, including application of equitable principles, that is permitted under law other than this article with respect to commingled property of the type involved.

(c) *Perfection of security interest in proceeds.* A security interest in proceeds is a perfected security interest if the security interest in the original collateral was perfected.

(d) *Continuation of perfection.* A perfected security interest in proceeds becomes unperfected on the twenty-first day after the security interest attaches to the proceeds unless:

1. The following conditions are satisfied:
   (A) A filed financing statement covers the original collateral;
   (B) The proceeds are collateral in which a security interest may be perfected by filing in the office in which the financing statement has been filed; and
   (C) The proceeds are not acquired with cash proceeds;

2. The proceeds are identifiable cash proceeds; or

3. The security interest in the proceeds is perfected other than under subsection (c) of this Code section when the security interest attaches to the proceeds or within 20 days thereafter.
(e) When perfected security interest in proceeds becomes unperfected. If a filed financing statement covers the original collateral, a security interest in proceeds which remains perfected under paragraph (1) of subsection (d) of this Code section becomes unperfected at the later of:

(1) When the effectiveness of the filed financing statement lapses under Code Section 11-9-515 or is terminated under Code Section 11-9-513; or

(2) The twenty-first day after the security interest attaches to the proceeds.
§ 11-9-316. **Continued perfection of security interest following change in governing law.**

(a) *General rule; effect on perfection of change in governing law.* A security interest perfected pursuant to the law of the jurisdiction designated in paragraph (1) of Code Section 11-9-301 or subsection (c) of Code Section 11-9-305 remains perfected until the earliest of:

1. The time perfection would have ceased under the law of that jurisdiction;
2. The expiration of four months after a change of the debtor's location to another jurisdiction; or
3. The expiration of one year after a transfer of collateral to a person that thereby becomes a debtor and is located in another jurisdiction.

(b) *Security interest perfected or unperfected under law of new jurisdiction.* If a security interest described in subsection (a) of this Code section becomes perfected under the law of the other jurisdiction before the earliest time or event described in that subsection, it remains perfected thereafter. If the security interest does not become perfected under the law of the other jurisdiction before the earliest time or event, it becomes unperfected and is deemed never to have been perfected as against a purchaser of the collateral for value.

(c) *Possessory security interest in collateral moved to new jurisdiction.* A possessory security interest in collateral, other than goods covered by a certificate of title and as-extracted collateral consisting of goods, remains continuously perfected if:

1. The collateral is located in one jurisdiction and subject to a security interest perfected under the law of that jurisdiction;
2. Thereafter the collateral is brought into another jurisdiction; and
3. Upon entry into the other jurisdiction, the security interest is perfected under the law of the other jurisdiction.

(d) *Goods covered by certificate of title from this state.* Except as otherwise provided in subsection (e) of this Code section, a security interest in goods covered by a certificate of title which is perfected by any method under the law of another jurisdiction when the goods become covered by a certificate of title from this state remains perfected until the security interest would
have become unperfected under the law of the other jurisdiction had the goods not become so covered.

(e) When subsection (d) of this Code section security interest becomes unperfected against purchasers. A security interest described in subsection (d) of this Code section becomes unperfected as against a purchaser of the goods for value and is deemed never to have been perfected as against a purchaser of the goods for value if the applicable requirements for perfection under subsection (b) of Code Section 11-9-311 or Code Section 11-9-313 are not satisfied before the earlier of:

(1) The time the security interest would have become unperfected under the law of the other jurisdiction had the goods not become covered by a certificate of title from this state; or

(2) The expiration of four months after the goods had become so covered.

(f) Change in jurisdiction of bank, issuer, nominated person, securities intermediary, or commodity intermediary. A security interest in deposit accounts, letter of credit rights, or investment property which is perfected under the law of the bank's jurisdiction, the issuer's jurisdiction, a nominated person's jurisdiction, the securities intermediary's jurisdiction, or the commodity intermediary's jurisdiction, as applicable, remains perfected until the earlier of:

(1) The time the security interest would have become unperfected under the law of that jurisdiction; or

(2) The expiration of four months after a change of the applicable jurisdiction to another jurisdiction.

(g) Subsection (f) of this Code section security interest perfected or unperfected under law of new jurisdiction. If a security interest described in subsection (f) of this Code section becomes perfected under the law of the other jurisdiction before the earlier of the time or the end of the period described in that subsection, it remains perfected thereafter. If the security interest does not become perfected under the law of the other jurisdiction before the earlier of that time or the end of that period, it becomes unperfected and is deemed never to have been perfected as against a purchaser of the collateral for value.

(h) Effect on filed financing statement of change in governing law. The following rules apply to collateral to which a security interest attaches within four months after the debtor changes its location to another jurisdiction:

(1) A financing statement filed before the change pursuant to the law of the jurisdiction designated in subsection (1) of Code Section 11-9-301 or subsection (c) of Code Section 11-9-305 is effective to perfect a security interest in the collateral if the financing statement would have been effective to perfect a security interest in the collateral had the debtor not changed its location.

(2) If a security interest perfected by a financing statement that is effective under paragraph (1) becomes perfected under the law of the other jurisdiction before the earlier of the time the financing statement would have become ineffective under the law of the jurisdiction designated in subsection (1) of Code Section 11-9-301 or subsection (c) of Code Section 11-9-305 or the expiration of the four-month period, it remains perfected thereafter. If the security interest does not become perfected under the law of the other jurisdiction before the earlier time or event, it
becomes unperfected and is deemed never to have been perfected as against a purchaser of the collateral for value.

(i) **Effect of change in governing law on financing statement filed against original debtor.**

If a financing statement naming an original debtor is filed pursuant to the law of the jurisdiction designated in subsection (1) of Code Section 11-9-301 or subsection (c) of Code Section 11-9-305 and the new debtor is located in another jurisdiction, the following rules apply:

(1) The financing statement is effective to perfect a security interest in collateral acquired by the new debtor before, and within four months after, the new debtor becomes bound under subsection (d) of Code Section 11-9-203, if the financing statement would have been effective to perfect a security interest in the collateral had the collateral been acquired by the original debtor.

(2) A security interest perfected by the financing statement and which becomes perfected under the law of the other jurisdiction before the earlier of the time the financing statement would have become ineffective under the law of the jurisdiction designated in subsection (1) of Code Section 11-9-301 or subsection (c) of Code Section 11-9-305 or the expiration of the four-month period remains perfected thereafter. A security interest that is perfected by the financing statement but which does not become perfected under the law of the other jurisdiction before the earlier time or event becomes unperfected and is deemed never to have been perfected as against a purchaser of the collateral for value.
§ 11-9-317. Interests that take priority over or take free of security interest or agricultural lien.

(a) **Conflicting security interests and rights of lien creditors.** A security interest or agricultural lien is subordinate to the rights of:

1. A person entitled to priority under Code Section 11-9-322; and
2. Except as otherwise provided in subsection (e) of this Code section, a person that becomes a lien creditor before the earlier of the time:
   
   A. The security interest or agricultural lien is perfected; or
   
   B. A financing statement covering the collateral is filed.

(b) **Buyers that receive delivery.** Except as otherwise provided in subsection (e) of this Code section, a buyer, other than a secured party, of tangible chattel paper, tangible documents, goods, instruments, or a certificated security certificate takes free of a security interest or agricultural lien if the buyer gives value and receives delivery of the collateral without knowledge of the security interest or agricultural lien and before it is perfected.

(c) **Lessees that receive delivery.** Except as otherwise provided in subsection (e) of this Code section, a lessee of goods takes free of a security interest or agricultural lien if the lessee gives value and receives delivery of the collateral without knowledge of the security interest or agricultural lien and before it is perfected.

(d) **Licensees and buyers of certain collateral.** A licensee of a general intangible or a buyer, other than a secured party, of accounts, electronic collateral other than tangible chattel paper, electronic tangible documents, general intangibles, or investment property other than goods, instruments, or a certificated security takes free of a security interest if the licensee or buyer gives value without knowledge of the security interest and before it is perfected.

(e) **Purchase money security interest.** Except as otherwise provided in Code Sections 11-9-320 and 11-9-321, if a person files a financing statement with respect to a purchase money security interest before or within 20 days after the debtor receives delivery of the collateral, the security interest takes priority over the rights of a buyer, lessee, or lien creditor which arise between the time the security interest attaches and the time of filing.
§ 11-9-318. No interest retained in right to payment that is sold; rights and title of seller of account or chattel paper with respect to creditors and purchasers.

(a) **Seller retains no interest.** A debtor that has sold an account, chattel paper, payment intangible, or promissory note does not retain a legal or equitable interest in the collateral sold.

(b) **Deemed rights of debtor if buyer's security interest unperfected.** For purposes of determining the rights of creditors of, and purchasers for value of an account or chattel paper from, a debtor that has sold an account or chattel paper, while the buyer's security interest is unperfected, the debtor is deemed to have rights and title to the account or chattel paper identical to those the debtor sold.
§ 11-9-319. Rights and title of consignee with respect to creditors and purchasers.

(a) *Consignee has consignor's rights.* Except as otherwise provided in subsection (b) of this Code section, for purposes of determining the rights of creditors of, and purchasers for value of goods from, a consignee, while the goods are in the possession of the consignee, the consignee is deemed to have rights and title to the goods identical to those the consignor had or had power to transfer.

(b) *Applicability of other law.* For purposes of determining the rights of a creditor of a consignee, law other than this article determines the rights and title of a consignee while goods are in the consignee's possession if, under this part, a perfected security interest held by the consignor would have priority over the rights of the creditor.

(a) *Buyer in ordinary course of business.* Except as otherwise provided in subsection (e) of this Code section, a buyer in ordinary course of business, other than a person buying farm products from a person engaged in farming operations, takes free of a security interest created by the buyer's seller, even if the security interest is perfected and the buyer knows of its existence.

(b) *Buyer of consumer goods.* Except as otherwise provided in subsection (e) of this Code section, a buyer of goods from a person who used or bought the goods for use primarily for personal, family, or household purposes takes free of a security interest, even if perfected, if the buyer buys:

1. Without knowledge of the security interest;
2. For value;
3. Primarily for the buyer's personal, family, or household purposes; and
4. Before the filing of a financing statement covering the goods.

(c) *Effectiveness of filing for subsection (b) of this Code section.* To the extent that it affects the priority of a security interest over a buyer of goods under subsection (b) of this Code section, the period of effectiveness of a filing made in the jurisdiction in which the seller is located is governed by subsections (a) and (b) of Code Section 11-9-316.

(d) *Buyer in ordinary course of business at wellhead or minehead.* A buyer in ordinary course of business buying oil, gas, or other minerals at the wellhead or minehead or after extraction takes free of an interest arising out of an encumbrance.

(e) *Possessory security interest not affected.* Subsections (a) and (b) of this Code section do not affect a security interest in goods in the possession of the secured party under Code Section 11-9-313.

(a) "Licensee in ordinary course of business." As used in this Code section, the term "licensee in ordinary course of business" means a person that becomes a licensee of a general intangible in good faith, without knowledge that the license violates the rights of another person in the general intangible, and in the ordinary course from a person in the business of licensing general intangibles of that kind. A person becomes a licensee in the ordinary course if the license to the person comports with the usual or customary practices in the kind of business in which the licensor is engaged or with the licensor's own usual or customary practices.

(b) Rights of licensee in ordinary course of business. A licensee in ordinary course of business takes its rights under a nonexclusive license free of a security interest in the general intangible created by the licensor, even if the security interest is perfected and the licensee knows of its existence.

(c) Rights of lessee in ordinary course of business. A lessee in ordinary course of business takes its leasehold interest free of a security interest in the goods created by the lessor, even if the security interest is perfected and the lessee knows of its existence.
§ 11-9-322. Priorities among conflicting security interests in and agricultural liens on same collateral.

(a) General priority rules. Except as otherwise provided in this Code section, priority among conflicting security interests and agricultural liens in the same collateral is determined according to the following rules:

(1) Conflicting perfected security interests and agricultural liens rank according to priority in time of filing or perfection. Priority dates from the earlier of the time a filing covering the collateral is first made or the security interest or agricultural lien is first perfected, if there is no period thereafter when there is neither filing nor perfection;

(2) A perfected security interest or agricultural lien has priority over a conflicting unperfected security interest or agricultural lien; and

(3) The first security interest or agricultural lien to attach or become effective has priority if conflicting security interests and agricultural liens are unperfected.

(b) Time of perfection: proceeds and supporting obligations. For the purposes paragraph (1) of subsection (a) of this Code section:

(1) The time of filing or perfection as to a security interest in collateral is also the time of filing or perfection as to a security interest in proceeds; and

(2) The time of filing or perfection as to a security interest in collateral supported by a supporting obligation is also the time of filing or perfection as to a security interest in the supporting obligation.

(c) Special priority rules: proceeds and supporting obligations. Except as otherwise provided in subsection (f) of this Code section, a security interest in collateral which qualifies for priority over a conflicting security interest under Code Section 11-9-327, 11-9-328, 11-9-329, 11-9-330, or 11-9-331 also has priority over a conflicting security interest in:

(1) Any supporting obligation for the collateral; and

(2) Proceeds of the collateral if:

(A) The security interest in proceeds is perfected;
(B) The proceeds are cash proceeds or of the same type as the collateral; and

(C) In the case of proceeds that are proceeds of proceeds, all intervening proceeds are cash proceeds, proceeds of the same type as the collateral, or an account relating to the collateral.

(d) *First to file priority rule for certain collateral.* Subject to subsection (e) of this Code section and except as otherwise provided in subsection (f) of this Code section, if a security interest in chattel paper, deposit accounts, negotiable documents, instruments, investment property, or letter of credit rights is perfected by a method other than filing, conflicting perfected security interests in proceeds of the collateral rank according to priority in time of filing.

(e) *Applicability of subsection (d) of this Code section.* Subsection (d) of this Code section applies only if the proceeds of the collateral are not cash proceeds, chattel paper, negotiable documents, instruments, investment property, or letter of credit rights.

(f) *Limitations on subsections (a) through (e) of this Code section.* Subsections (a) through (e) of this Code section are subject to:

1. Subsection (g) of this Code section and the other provisions of this part;

2. *Code Section 11-4-210* with respect to a security interest of a collecting bank;

3. *Code Section 11-5-118* with respect to a security interest of an issuer or nominated person; and

4. *Code Section 11-9-110* with respect to a security interest arising under Article 2 or 2A of this title.

(g) *Priority under agricultural lien statute.* A perfected agricultural lien on collateral has priority over a conflicting security interest in or agricultural lien on the same collateral if the statute creating the agricultural lien so provides.
§ 11-9-322.1. Crops produced with new value

A perfected security interest in growing crops for new value given to enable the debtor to produce the crops during the production season and given not more than three months before the crops become growing crops by planting or otherwise takes priority over an earlier perfected security interest or agricultural lien to the extent that such earlier interest or lien secures obligations incurred more than six months before the crops become growing crops by planting or otherwise, even though the person giving new value had knowledge of the earlier security interest or agricultural lien.
§ 11-9-323.  Future advances.

(a) When priority based on time of advance. Except as otherwise provided in subsection (b) of this Code section, for purposes of determining the priority of a perfected security interest under paragraph (1) of subsection (a) of Code Section 11-9-322, perfection of the security interest dates from the time an advance is made to the extent that the security interest secures an advance that:

1. Is made while the security interest is perfected only:
   (A) Under Code Section 11-9-309 when it attaches; or
   (B) Temporarily under subsection (e), (f), or (g) of Code Section 11-9-312; and

2. Is not made pursuant to a commitment entered into before or while the security interest is perfected by a method other than under Code Section 11-9-309 or subsection (e), (f), or (g) of Code Section 11-9-312.

(b) Buyer of receivables. Subsection (a) of this Code section does not apply to a security interest held by a secured party that is a buyer of accounts, chattel paper, payment intangibles, or promissory notes or a consignor.

(c) Buyer of goods. Except as otherwise provided in subsection (d) of this Code section, a buyer of goods other than a buyer in ordinary course of business takes free of a security interest to the extent that it secures advances made after the earlier of:

1. The time the secured party acquires knowledge of the buyer's purchase; or
2. Forty-five days after the purchase.

(d) Advances made pursuant to commitment; priority of buyer of goods. Subsection (c) of this Code section does not apply if the advance is made pursuant to a commitment entered into without knowledge of the buyer's purchase and before the expiration of the 45 day period.

(e) Lessee of goods. Except as otherwise provided in subsection (f) of this Code section, a lessee of goods, other than a lessee in ordinary course of business, takes the leasehold interest free of a security interest to the extent that it secures advances made after the earlier of:

1. The time the secured party acquires knowledge of the lease; or
(2) Forty-five days after the lease contract becomes enforceable.

(f) *Advances made pursuant to commitment; priority of lessee of goods.* Subsection (e) of this Code section does not apply if the advance is made pursuant to a commitment entered into without knowledge of the lease and before the expiration of the 45 day period.
§ 11-9-324. Priority of purchase money security interests.

(a) General rule; purchase money priority. Except as otherwise provided in subsection (g) of this Code section, a perfected purchase money security interest in goods other than inventory or livestock has priority over a conflicting security interest in the same goods, and, except as otherwise provided in Code Section 11-9-327, a perfected security interest in its identifiable proceeds also has priority if the purchase money security interest is perfected when the debtor receives possession of the collateral or within 20 days thereafter.

(b) Inventory purchase money priority. Subject to subsection (c) of this Code section and except as otherwise provided in subsection (g) of this Code section, a perfected purchase money security interest in inventory has priority over a conflicting security interest in the same inventory, has priority over a conflicting security interest in chattel paper or an instrument constituting proceeds of the inventory and in proceeds of the chattel paper, if so provided in Code Section 11-9-330, and, except as otherwise provided in Code Section 11-9-327, also has priority in identifiable cash proceeds of the inventory to the extent the identifiable cash proceeds are received on or before the delivery of the inventory to a buyer, if:

1. The purchase money security interest is perfected when the debtor receives possession of the inventory;
2. The purchase money secured party sends an authenticated notification to the holder of the conflicting security interest;
3. The holder of the conflicting security interest receives the notification within five years before the debtor receives possession of the inventory; and
4. The notification states that the person sending the notification has or expects to acquire a purchase money security interest in inventory of the debtor and describes the inventory.

(c) Holders of conflicting inventory security interests to be notified. Paragraphs (2) through (4) of subsection (b) of this Code section apply only if the holder of the conflicting security interest had filed a financing statement covering the same types of inventory:

1. If the purchase money security interest is perfected by filing, before the date of the filing; or
(2) If the purchase money security interest is temporarily perfected without filing or possession under subsection (f) of Code Section 11-9-312, before the beginning of the 20 day period thereunder.

(d) Livestock purchase money priority. Subject to subsection (e) of this Code section and except as otherwise provided in subsection (g) of this Code section, a perfected purchase money security interest in livestock that are farm products has priority over a conflicting security interest in the same livestock, and, except as otherwise provided in Code Section 11-9-327, a perfected security interest in their identifiable proceeds and identifiable products in their unmanufactured states also has priority, if:

(1) The purchase money security interest is perfected when the debtor receives possession of the livestock;

(2) The purchase money secured party sends an authenticated notification to the holder of the conflicting security interest;

(3) The holder of the conflicting security interest receives the notification within six months before the debtor receives possession of the livestock; and

(4) The notification states that the person sending the notification has or expects to acquire a purchase money security interest in livestock of the debtor and describes the livestock.

e) Holders of conflicting livestock security interests to be notified. Paragraphs (2) through (4) of subsection (d) of this Code section apply only if the holder of the conflicting security interest had filed a financing statement covering the same types of livestock:

(1) If the purchase money security interest is perfected by filing, before the date of the filing; or

(2) If the purchase money security interest is temporarily perfected without filing or possession under subsection (f) of Code Section 11-9-312, before the beginning of the 20 day period thereunder.

(f) Software purchase money priority. Except as otherwise provided in subsection (g) of this Code section, a perfected purchase money security interest in software has priority over a conflicting security interest in the same collateral, and, except as otherwise provided in Code Section 11-9-327, a perfected security interest in its identifiable proceeds also has priority, to the extent that the purchase money security interest in the goods in which the software was acquired for use has priority in the goods and proceeds of the goods under this Code section.

(g) Conflicting purchase money security interests. If more than one security interest qualifies for priority in the same collateral under subsection (a), (b), (d), or (f) of this Code section:

(1) A security interest securing an obligation incurred as all or part of the price of the collateral has priority over a security interest securing an obligation incurred for value given to enable the debtor to acquire rights in or the use of collateral; and

(2) In all other cases, subsection (a) of Code Section 11-9-322 applies to the qualifying security interests.
§ 11-9-325. Priority of security interests in transferred collateral.

(a) Subordination of security interest in transferred collateral. Except as otherwise provided in subsection (b) of this Code section, a security interest created by a debtor is subordinate to a security interest in the same collateral created by another person if:

(1) The debtor acquired the collateral subject to the security interest created by the other person;

(2) The security interest created by the other person was perfected when the debtor acquired the collateral; and

(3) There is no period thereafter when the security interest is unperfected.

(b) Limitation of subsection (a) of this Code section subordination. Subsection (a) of this Code section subordinates a security interest only if the security interest:

(1) Otherwise would have priority solely under subsection (a) of Code Section 11-9-322 or Code Section 11-9-324; or

(2) Arose solely under subsection (3) of Code Section 11-2-711 or subsection (5) of Code Section 11-2A-508.
§ 11-9-326. Priority of security interests created by new debtor.

(a) Subordination of security interest created by new debtor. Subject to subsection (b) of this Code section, a security interest that is created by a new debtor which in collateral in which the new debtor has or acquires rights and is perfected solely by a filed financing statement that is effective solely under would be ineffective to perfect the security interest but for the application of subsection (i)(1) of Code Section 11-9-316 or Code Section 11-9-508 in collateral in which a new debtor has or acquires rights is subordinate to a security interest in the same collateral which is perfected other than by such a filed financing statement that is effective solely under Code Section 11-9-508.

(b) Priority under other provisions; multiple original debtors. The other provisions of this part determine the priority among conflicting security interests in the same collateral perfected by filed financing statements that are effective solely under Code Section 11-9-508 described in subsection (a) of this Code section. However, if the security agreements to which a new debtor became bound as debtor were not entered into by the same original debtor, the conflicting security interests rank according to priority in time of the new debtor's having become bound.
§ 11-9-327. Priority of security interests in deposit account.

The following rules govern priority among conflicting security interests in the same deposit account:

(1) A security interest held by a secured party having control of the deposit account under Code Section 11-9-104 has priority over a conflicting security interest held by a secured party that does not have control;

(2) Except as otherwise provided in paragraphs (3) and (4) of this Code section, security interests perfected by control under Code Section 11-9-314 rank according to priority in time of obtaining control;

(3) Except as otherwise provided in paragraph (4) of this Code section, a security interest held by the bank with which the deposit account is maintained has priority over a conflicting security interest held by another secured party; and

(4) A security interest perfected by control under paragraph (3) of subsection (a) of Code Section 11-9-104 has priority over a security interest held by the bank with which the deposit account is maintained.
§ 11-9-328. Priority of security interests in investment property.

The following rules govern priority among conflicting security interests in the same investment property:

1. A security interest held by a secured party having control of investment property under Code Section 11-9-106 has priority over a security interest held by a secured party that does not have control of the investment property;

2. Except as otherwise provided in paragraphs (3) and (4) of this Code section, conflicting security interests held by secured parties each of which has control under Code Section 11-9-106 rank according to priority in time of:

   (A) If the collateral is a security, obtaining control;

   (B) If the collateral is a security entitlement carried in a securities account and:

      (i) If the secured party obtained control under paragraph (1) of subsection (d) of Code Section 11-8-106, the secured party's becoming the person for which the securities account is maintained;

      (ii) If the secured party obtained control under paragraph (2) of subsection (d) of Code Section 11-8-106, the securities intermediary's agreement to comply with the secured party's entitlement orders with respect to security entitlements carried or to be carried in the securities account; or

      (iii) If the secured party obtained control through another person under paragraph (3) of subsection (d) of Code Section 11-8-106, the time on which priority would be based under this paragraph if the other person were the secured party; or

   (C) If the collateral is a commodity contract carried with a commodity intermediary, the satisfaction of the requirement for control specified in paragraph (2) of subsection (b) of Code Section 11-9-106 with respect to commodity contracts carried or to be carried with the commodity intermediary;

3. A security interest held by a securities intermediary in a security entitlement or a securities account maintained with the securities intermediary has priority over a conflicting security interest held by another secured party;
(4) A security interest held by a commodity intermediary in a commodity contract or a commodity account maintained with the commodity intermediary has priority over a conflicting security interest held by another secured party;

(5) A security interest in a certificated security in registered form which is perfected by taking delivery under subsection (a) of Code Section 11-9-313 and not by control under Code Section 11-9-314 has priority over a conflicting security interest perfected by a method other than control;

(6) Conflicting security interests created by a broker, securities intermediary, or commodity intermediary which are perfected without control under Code Section 11-9-106 rank equally; and

(7) In all other cases, priority among conflicting security interests in investment property is governed by Code Sections 11-9-322 and 11-9-323.
§ 11-9-329. Priority of security interests in letter of credit right.

The following rules govern priority among conflicting security interests in the same letter of credit right:

   (1) A security interest held by a secured party having control of the letter of credit right under Code Section 11-9-107 has priority to the extent of its control over a conflicting security interest held by a secured party that does not have control; and

   (2) Security interests perfected by control under Code Section 11-9-314 rank according to priority in time of obtaining control.
§ 11-9-330. Priority of purchaser of chattel paper or instrument.

(a) Purchaser's priority; security interest claimed merely as proceeds. A purchaser of chattel paper has priority over a security interest in the chattel paper which is claimed merely as proceeds of inventory subject to a security interest if:

1. In good faith and in the ordinary course of the purchaser's business, the purchaser gives new value and takes possession of the chattel paper or obtains control of the chattel paper under Code Section 11-9-105; and

2. The chattel paper does not indicate that it has been assigned to an identified assignee other than the purchaser.

(b) Purchaser's priority; other security interests. A purchaser of chattel paper has priority over a security interest in the chattel paper which is claimed other than merely as proceeds of inventory subject to a security interest if the purchaser gives new value and takes possession of the chattel paper or obtains control of the chattel paper under Code Section 11-9-105 in good faith, in the ordinary course of the purchaser's business, and without knowledge that the purchase violates the rights of the secured party.

(c) Chattel paper purchaser's priority in proceeds. Except as otherwise provided in Code Section 11-9-327, a purchaser having priority in chattel paper under subsection (a) or (b) of this Code section also has priority in proceeds of the chattel paper to the extent that:

1. Code Section 11-9-322 provides for priority in the proceeds; or

2. The proceeds consist of the specific goods covered by the chattel paper or cash proceeds of the specific goods, even if the purchaser's security interest in the proceeds is unperfected.

(d) Instrument purchaser's priority. Except as otherwise provided in subsection (a) of Code Section 11-9-331, a purchaser of an instrument has priority over a security interest in the instrument perfected by a method other than possession if the purchaser gives value and takes possession of the instrument in good faith and without knowledge that the purchase violates the rights of the secured party.
(e) *Holder of purchase money security interest gives new value.* For purposes of subsections (a) and (b) of this Code section, the holder of a purchase money security interest in inventory gives new value for chattel paper constituting proceeds of the inventory.

(f) *Indication of assignment gives knowledge.* For purposes of subsections (b) and (d) of this Code section, if chattel paper or an instrument indicates that it has been assigned to an identified secured party other than the purchaser, a purchaser of the chattel paper or instrument has knowledge that the purchase violates the rights of the secured party.
§ 11-9-331. Priority of rights of purchasers of instruments, documents, and securities under other articles; priority of interests in financial assets and security entitlements under Article 8 of this title.

(a) Rights under Articles 3, 7, and 8 of this title not limited. This article does not limit the rights of a holder in due course of a negotiable instrument, a holder to which a negotiable document of title has been duly negotiated, or a protected purchaser of a security. These holders or purchasers take priority over an earlier security interest, even if perfected, to the extent provided in Articles 3, 7, and 8 of this title.

(b) Protection under Article 8 of this title. This article does not limit the rights of or impose liability on a person to the extent that the person is protected against the assertion of a claim under Article 8 of this title.

(c) Filing not notice. Filing under this article does not constitute notice of a claim or defense to the holders or purchasers or persons described in subsections (a) and (b) of this Code section.
§ 11-9-332. Transfer of money; transfer of funds from deposit account.

(a) Transferee of money. A transferee of money takes the money free of a security interest unless the transferee acts in collusion with the debtor in violating the rights of the secured party.

(b) Transferee of funds from deposit account. A transferee of funds from a deposit account takes the funds free of a security interest in the deposit account unless the transferee acts in collusion with the debtor in violating the rights of the secured party.
§ 11-9-333.  Priority of certain liens.

(a)  Year’s support; property taxes; other state taxes; other taxes or judgments.  Except as is expressly provided to the contrary elsewhere in this article and in subsection (b) of this Code section, a perfected security interest in collateral takes priority over each and all of the liens, claims, and rights described in Code Section 44-14-320, relating to the establishment of certain liens, as now or hereafter amended; former Code Section 53-7-91 as such existed on December 31, 1997, if applicable; and Code Section 53-7-40, relating to the priority of debts against the estate of a decedent, as now or hereafter amended; provided, nevertheless, that:

1. Year’s support to the family, duly set apart in the collateral prior to the perfection of the subject security interest, takes priority over such security interest;

2. A lien for property taxes duly assessed upon the subject collateral, either prior or subsequent to the perfection of the subject security interest, takes priority over security interest;

3. A lien for all other state taxes takes priority over such security interest, except where such security interest is perfected by filing a financing statement relative thereto prior to such time as the execution for such state taxes shall be entered on the execution docket in the place and in the manner provided by law; provided, nevertheless, that, with respect to priority rights between such tax liens and security interests where under this article the same are perfected other than by filing a financing statement, the same shall be determined as provided by law prior to January 1, 1964; and

4. A lien for other unpaid taxes or a duly rendered judgment of a court having jurisdiction shall have the same priority with regard to a security interest as it would have if the tax lien or judgment were a conflicting security interest within the meaning of Code Section 11-9-322 or an encumbrance within the meaning of Code Section 11-9-334, which conflicting security interest was perfected by filing or which encumbrance arose at the time the tax lien or judgment was duly recorded in the place designated by statute applicable thereto.

(b)  Mechanics’ liens on farm machinery.  A mechanics’ lien on farm machinery or equipment arising on or after July 1, 1985, shall have priority over any perfected security interest in such farm machinery or equipment unless a financing statement has been filed as provided in Code Section 11-9-501 and unless the financing statement describes the particular piece of farm machinery or equipment to which the perfected security interest applies.  Such description may include the make,
model, and serial number of the piece of farm machinery or equipment. However, such description shall be sufficient whether or not it is specific if it reasonably identifies what is described and a mistake in such description shall not invalidate the description if it provides a key to identifying the farm machinery or equipment.

(a) Security interest in fixtures under this article. A security interest under this article may be created in goods that are fixtures or may continue in goods that become fixtures. A security interest does not exist under this article in ordinary building materials incorporated into an improvement on land.

(b) Security interest in fixtures under real property law. This article does not prevent creation of an encumbrance upon fixtures under real property law.

(c) General rule; subordination of security interest in fixtures. In cases not governed by subsections (d) through (h) of this Code section, a security interest in fixtures is subordinate to a conflicting interest of an encumbrancer or owner of the related real property other than the debtor.

(d) Fixtures purchase money priority. Except as otherwise provided in subsection (h) of this Code section, a perfected security interest in fixtures has priority over a conflicting interest of an encumbrancer or owner of the real property if the debtor has an interest of record in or is in possession of the real property and:

(1) The security interest is a purchase money security interest;

(2) The interest of the encumbrancer or owner arises before the goods become fixtures; and

(3) The security interest is perfected by a fixture filing before the goods become fixtures or within 20 days thereafter.

(e) Priority of security interest in fixtures over interests in real property. A perfected security interest in fixtures has priority over a conflicting interest of an encumbrancer or owner of the real property if:

(1) The debtor has an interest of record in the real property or is in possession of the real property and the security interest:

(A) Is perfected by a fixture filing before the interest of the encumbrancer or owner is of record; and

(B) Has priority over any conflicting interest of a predecessor in title of the encumbrancer or owner;
(2) Before the goods become fixtures, the security interest is perfected by any method permitted by this article and the fixtures are readily removable:

(A) Factory or office machines;

(B) Equipment that is not primarily used or leased for use in the operation of the real property; or

(C) Replacements of domestic appliances that are consumer goods; or

(3) The conflicting interest is a lien on the real property obtained by legal or equitable proceedings after the security interest was perfected by any method permitted by this article.

(f) Priority based on consent, disclaimer, or right to remove. A security interest in fixtures, whether or not perfected, has priority over a conflicting interest of an encumbrancer or owner of the real property if:

(1) The encumbrancer or owner has, in an authenticated record, consented to the security interest or disclaimed an interest in the goods as fixtures; or

(2) The debtor has a right to remove the goods as against the encumbrancer or owner.

(g) Continuation of subsection (f) of this Code section priority. The priority of the security interest under paragraph (2) of subsection (f) of this Code section continues for a reasonable time if the debtor's right to remove the goods as against the encumbrancer or owner terminates.

(h) Priority of construction mortgage. A mortgage is a construction mortgage to the extent that it secures an obligation incurred for the construction of an improvement on land, including the acquisition cost of the land, if a recorded record of the mortgage so indicates. Except as otherwise provided in subsections (e) and (f) of this Code section, a security interest in fixtures is subordinate to a construction mortgage if a record of the mortgage is recorded before the goods become fixtures and the goods become fixtures before the completion of the construction. A mortgage has this priority to the same extent as a construction mortgage to the extent that it is given to refinance a construction mortgage.

(i) Priority of security interest in crops. A perfected security interest in or agricultural lien upon crops growing on real property has priority over a conflicting interest of an encumbrancer or owner of the real property if the debtor has an interest of record in or is in possession of the real property.
§ 11-9-335. Accessions.

(a) Creation of security interest in accession. A security interest may be created in an accession and continues in collateral that becomes an accession.

(b) Perfection of security interest. If a security interest is perfected when the collateral becomes an accession, the security interest remains perfected in the collateral.

(c) Priority of security interest. Except as otherwise provided in subsection (d) of this Code section, the other provisions of this part determine the priority of a security interest in an accession.

(d) Compliance with certificate of title statute. A security interest in an accession is subordinate to a security interest in the whole which is perfected by compliance with the requirements of a certificate of title statute under subsection (b) of Code Section 11-9-311.

(e) Removal of accession after default. After default, subject to Part 6 of this article, a secured party may remove an accession from other goods if the security interest in the accession has priority over the claims of every person having an interest in the whole.

(f) Reimbursement following removal. A secured party that removes an accession from other goods under subsection (e) of this Code section shall promptly reimburse any holder of a security interest or other lien on, or owner of, the whole or of the other goods, other than the debtor, for the cost of repair of any physical injury to the whole or the other goods. The secured party need not reimburse the holder or owner for any diminution in value of the whole or the other goods caused by the absence of the accession removed or by any necessity for replacing it. A person entitled to reimbursement may refuse permission to remove until the secured party gives adequate assurance for the performance of the obligation to reimburse.

(a) "Commingled goods." As used in this Code section, the term "commingled goods" means goods that are physically united with other goods in such a manner that their identity is lost in a product or mass.

(b) No security interest in commingled goods as such. A security interest does not exist in commingled goods as such. However, a security interest may attach to a product or mass that results when goods become commingled goods.

(c) Attachment of security interest to product or mass. If collateral becomes commingled goods, a security interest attaches to the product or mass.

(d) Perfection of security interest. If a security interest in collateral is perfected before the collateral becomes commingled goods, the security interest that attaches to the product or mass under subsection (c) of this Code section is perfected.

(e) Priority of security interest. Except as otherwise provided in subsection (f) of this Code section, the other provisions of this part determine the priority of a security interest that attaches to the product or mass under subsection (c) of this Code section.

(f) Conflicting security interests in product or mass. If more than one security interest attaches to the product or mass under subsection (c) of this Code section, the following rules determine priority:

(1) A security interest that is perfected under subsection (d) of this Code section has priority over a security interest that is unperfected at the time the collateral becomes commingled goods; and

(2) If more than one security interest is perfected under subsection (d) of this Code section, the security interests rank equally in proportion to the value of the collateral at the time it became commingled goods.

If, while a security interest in goods is perfected by any method under the law of another jurisdiction, this state issues a certificate of title that does not show that the goods are subject to the security interest or contain a statement that they may be subject to security interests not shown on the certificate:

(1) A buyer of the goods, other than a person in the business of selling goods of that kind, takes free of the security interest if the buyer gives value and receives delivery of the goods after issuance of the certificate and without knowledge of the security interest; and

(2) The security interest is subordinate to a conflicting security interest in the goods that attaches and is perfected under subsection (b) of Code Section 11-9-311, after issuance of the certificate and without the conflicting secured party's knowledge of the security interest.
§ 11-9-338. Priority of security interest or agricultural lien perfected by filed financing statement providing certain incorrect information.

If a security interest or agricultural lien is perfected by a filed financing statement providing information described in paragraph (5) of subsection (b) of Code Section 11-9-516 which is incorrect at the time the financing statement is filed:

(1) The security interest or agricultural lien is subordinate to a conflicting perfected security interest in the collateral to the extent that the holder of the conflicting security interest gives value in reasonable reliance upon the incorrect information; and

(2) A purchaser, other than a secured party, of the collateral takes free of the security interest or agricultural lien to the extent that, in reasonable reliance upon the incorrect information, the purchaser gives value and, in the case of tangible chattel paper, tangible documents, goods, instruments, or a security certificate, receives delivery of the collateral.
§ 11-9-339. Priority subject to subordination.

This article does not preclude subordination by agreement by a person entitled to priority.
§ 11-9-340. Effectiveness of right of recoupment or set-off against deposit account.

(a) *Exercise of recoupment or set-off.* Except as otherwise provided in subsection (c) of this Code section, a bank with which a deposit account is maintained may exercise any right of recoupment or set-off against a secured party that holds a security interest in the deposit account.

(b) *Recoupment or set-off not affected by security interest.* Except as otherwise provided in subsection (c) of this Code section, the application of this article to a security interest in a deposit account does not affect a right of recoupment or set-off of the secured party as to a deposit account maintained with the secured party.

(c) *When set-off ineffective.* The exercise by a bank of a set-off against a deposit account is ineffective against a secured party that holds a security interest in the deposit account which is perfected by control under paragraph (3) of subsection (a) of Code Section 11-9-104, if the set-off is based on a claim against the debtor.
§ 11-9-341. Bank's rights and duties with respect to deposit account.

Except as otherwise provided in subsection (c) of Code Section 11-9-340, and unless the bank otherwise agrees in an authenticated record, a bank's rights and duties with respect to a deposit account maintained with the bank are not terminated, suspended, or modified by:

(1) The creation, attachment, or perfection of a security interest in the deposit account;
(2) The bank's knowledge of the security interest; or
(3) The bank's receipt of instructions from the secured party.
§ 11-9-342. Bank's right to refuse to enter into or disclose existence of control agreement.

This article does not require a bank to enter into an agreement of the kind described in paragraph (2) of subsection (a) of Code Section 11-9-104, even if its customer so requests or directs. A bank that has entered into such an agreement is not required to confirm the existence of the agreement to another person unless requested to do so by its customer.
§ 11-9-401. Alienability of debtor's rights.

(a) *Other law governs alienability; exceptions.* Except as otherwise provided in subsection (b) of this Code section and *Code Sections 11-9-406, 11-9-407, 11-9-408, and 11-9-409,* whether a debtor's rights in collateral may be voluntarily or involuntarily transferred is governed by law other than this article.

(b) *Agreement does not prevent transfer.* An agreement between the debtor and secured party which prohibits a transfer of the debtor's rights in collateral or makes the transfer a default does not prevent the transfer from taking effect.
§ 11-9-402. Secured party not obligated on contract of debtor or in tort.

The existence of a security interest, agricultural lien, or authority given to a debtor to dispose of or use collateral, without more, does not subject a secured party to liability in contract or tort for the debtor's acts or omissions.
§ 11-9-403. Agreement not to assert defenses against assignee.

(a) "Value." As used in this Code section, the term "value" has the meaning provided in subsection (a) of Code Section 11-3-303.

(b) Agreement not to assert claim or defense. Except as otherwise provided in this Code section, an agreement between an account debtor and an assignor not to assert against an assignee any claim or defense that the account debtor may have against the assignor is enforceable by an assignee that takes an assignment:

1. For value;
2. In good faith;
3. Without notice of a claim of a property or possessory right to the property assigned; and
4. Without notice of a defense or claim in recoupment of the type that may be asserted against a person entitled to enforce a negotiable instrument under subsection (a) of Code Section 11-3-305.

(c) When subsection (b) of this Code section not applicable. Subsection (b) of this Code section does not apply to defenses of a type that may be asserted against a holder in due course of a negotiable instrument under subsection (b) of Code Section 11-3-305.

(d) Omission of required statement in consumer transaction. In a consumer transaction, if a record evidences the account debtor's obligation, law other than this article requires that the record include a statement to the effect that the rights of an assignee are subject to claims or defenses that the account debtor could assert against the original obligee, and the record does not include such a statement:

1. The record has the same effect as if the record included such a statement; and
2. The account debtor may assert against an assignee those claims and defenses that would have been available if the record included such a statement.

(e) Rule for individual under other law. This Code section is subject to law other than this article which establishes a different rule for an account debtor who is an individual and who incurred the obligation primarily for personal, family, or household purposes.
(f) Other law not displaced. Except as otherwise provided in subsection (d) of this Code section, this Code section does not displace law other than this article which gives effect to an agreement by an account debtor not to assert a claim or defense against an assignee.
§ 11-9-404. Rights acquired by assignee; claims and defenses against assignee.

(a) *Assignee's rights subject to terms, claims, and defenses; exceptions.* Unless an account debtor has made an enforceable agreement not to assert defenses or claims and subject to subsections (b) through (e) of this Code section, the rights of an assignee are subject to:

1. All terms of the agreement between the account debtor and assignor and any defense or claim in recoupment arising from the transaction that gave rise to the contract; and

2. Any other defense or claim of the account debtor against the assignor which accrues before the account debtor receives a notification of the assignment authenticated by the assignor or the assignee.

(b) *Account debtor's claim reduces amount owed to assignee.* Subject to subsection (c) of this Code section and except as otherwise provided in subsection (d) of this Code section, the claim of an account debtor against an assignor may be asserted against an assignee under subsection (a) of this Code section only to reduce the amount the account debtor owes.

(c) *Rule for individual under other law.* This Code section is subject to law other than this article which establishes a different rule for an account debtor who is an individual and who incurred the obligation primarily for personal, family, or household purposes.

(d) *Omission of required statement in consumer transaction.* In a consumer transaction, if a record evidences the account debtor's obligation, law other than this article requires that the record include a statement to the effect that the account debtor's recovery against an assignee with respect to claims and defenses against the assignor may not exceed amounts paid by the account debtor under the record, and the record does not include such a statement, the extent to which a claim of an account debtor against the assignor may be asserted against an assignee is determined as if the record included such a statement.

(e) *Inapplicability to health care insurance receivable.* This Code section does not apply to an assignment of a health care insurance receivable.

(a) Effect of modification on assignee. A modification of or substitution for an assigned contract is effective against an assignee if made in good faith. The assignee acquires corresponding rights under the modified or substituted contract. The assignment may provide that the modification or substitution is a breach of contract by the assignor. This subsection is subject to subsections (b) through (d) of this Code section.

(b) Applicability of subsection (a) of this Code section. Subsection (a) of this Code section applies to the extent that:

(1) The right to payment or a part thereof under an assigned contract has not been fully earned by performance; or

(2) The right to payment or a part thereof has been fully earned by performance and the account debtor has not received notification of the assignment under subsection (a) of Code Section 11-9-406.

(c) Rule for individual under other law. This Code section is subject to law other than this article which establishes a different rule for an account debtor who is an individual and who incurred the obligation primarily for personal, family, or household purposes.

(d) Inapplicability to health care insurance receivable. This Code section does not apply to an assignment of a health care insurance receivable.
§ 11-9-406. Discharge of account debtor; notification of assignment; identification and proof of assignment; restrictions on assignment of accounts, chattel paper, payment intangibles, and promissory notes ineffective.

(a) Discharge of account debtor; effect of notification. Subject to subsections (b) through (i) of this Code section, an account debtor on an account, chattel paper, or a payment intangible may discharge its obligation by paying the assignor until, but not after, the account debtor receives a notification, authenticated by the assignor or the assignee, that the amount due or to become due has been assigned and that payment is to be made to the assignee. After receipt of the notification, the account debtor may discharge its obligation by paying the assignee and may not discharge the obligation by paying the assignor.

(b) When notification ineffective. Subject to subsection (h) of this Code section, notification is ineffective under subsection (a) of this Code section:

(1) If it does not reasonably identify the rights assigned;

(2) To the extent that an agreement between an account debtor and a seller of a payment intangible limits the account debtor's duty to pay a person other than the seller and the limitation is effective under law other than this article; or

(3) At the option of an account debtor, if the notification notifies the account debtor to make less than the full amount of any installment or other periodic payment to the assignee, even if:

(A) Only a portion of the account, chattel paper, or payment intangible has been assigned to that assignee;

(B) A portion has been assigned to another assignee; or

(C) The account debtor knows that the assignment to that assignee is limited.

(c) Proof of assignment. Subject to subsection (h) of this Code section, if requested by the account debtor, an assignee shall seasonably furnish reasonable proof that the assignment has been made. Unless the assignee complies, the account debtor may discharge its obligation by paying the assignor, even if the account debtor has received a notification under subsection (a) of this Code section.

(d) Term restricting assignment generally ineffective. Except as otherwise provided in subsection (e) of this Code section and Code Sections 11-2A-303, 11-9-407, and 53-12-80 through
53-12-83 and subject to subsection (h) of this Code section, a term in an agreement between an account debtor and an assignor or in a promissory note shall be ineffective to the extent that it:

(1) Prohibits, restricts, or requires the consent of the account debtor or person obligated on the promissory note to the assignment or transfer of, or the creation, attachment, perfection, or enforcement of a security interest in, the account, chattel paper, payment intangible, or promissory note; or

(2) Provides that the assignment, transfer, creation, attachment, perfection, or enforcement of the security interest may give rise to a default, breach, right of recoupment, claim, defense, termination, right of termination, or remedy under the account, chattel paper, payment intangible, or promissory note.

(c) Inapplicability of subsection (d) of this Code section to certain sales. Subsection (d) of this Code section does not apply to the sale of a payment intangible or promissory note other than a sale pursuant to a disposition under Code Section 11-9-610 or an acceptance of collateral under Code Section 11-9-620.

(f) Legal restrictions on assignment generally ineffective. Except as otherwise provided in Code Sections 11-2A-303 and 11-9-407 and subject to subsections (h) and (i) of this Code section, a rule of law, statute, or regulation that prohibits, restricts, or requires the consent of a government, governmental body or official, or account debtor to the assignment or transfer of, or creation of a security interest in, an account or chattel paper is ineffective to the extent that the rule of law, statute, or regulation:

(1) Prohibits, restricts, or requires the consent of the government, governmental body or official, or account debtor to the assignment or transfer of, or the creation, attachment, perfection, or enforcement of a security interest, in the account or chattel paper; or

(2) Provides that the assignment, transfer, creation, attachment, perfection, or enforcement of the security interest may give rise to a default, breach, right of recoupment, claim, defense, termination, right of termination, or remedy under the account or chattel paper.

(g) Paragraph (3) of subsection (b) not waivable. Subject to subsection (h) of this Code section, an account debtor may not waive or vary its option under paragraph (3) of subsection (b) of this Code section.

(h) Rule for individual under other law. This Code section is subject to law other than this article which establishes a different rule for an account debtor who is an individual and who incurred the obligation primarily for personal, family, or household purposes.

(i) Inapplicability to health care insurance receivable. This Code section does not apply to an assignment of a health care insurance receivable.

106
§ 11-9-407. Restrictions on creation or enforcement of security interest in leasehold interest or in lessor's residual interest.

(a) Term restricting assignment generally ineffective. Except as otherwise provided in subsection (b) of this Code section, a term in a lease agreement is ineffective to the extent that it:

(1) Prohibits, restricts, or requires the consent of a party to the lease to the assignment, transfer, creation, attachment, perfection, or enforcement of a security interest in an interest of a party under the lease contract or in the lessor's residual interest in the goods; or

(2) Provides that the assignment, transfer, creation, attachment, perfection, or enforcement of the security interest may give rise to a default, breach, right of recoupment, claim, defense, termination, right of termination, or remedy under the lease.

(b) Effectiveness of certain terms. Except as otherwise provided in subsection (7) of Code Section 11-2A-303, a term described in paragraph (2) of subsection (a) of this Code section is effective to the extent that there is:

(1) A transfer by the lessee of the lessee's right of possession or use of the goods in violation of the term; or

(2) A delegation of a material performance of either party to the lease contract in violation of the term.

(c) Security interest not material impairment. The creation, attachment, perfection, or enforcement of a security interest in the lessor's interest under the lease contract or the lessor's residual interest in the goods is not a transfer that materially impairs the lessee's prospect of obtaining return performance or materially changes the duty of or materially increases the burden or risk imposed on the lessee within the purview of subsection (4) of Code Section 11-2A-303 unless, and then only to the extent that, enforcement actually results in a delegation of material performance of the lessor.
§ 11-9-408. Restrictions on assignment of promissory notes, health care insurance receivables, and certain general intangibles ineffective.

(a) Term restricting assignment generally ineffective. Except as otherwise provided in subsection (b) of this Code section or in Code Section 53-12-80, a term in a promissory note or in an agreement between an account debtor and a debtor which relates to a health care insurance receivable or a general intangible, including a contract, permit, license, or franchise, and which term prohibits, restricts, or requires the consent of the person obligated on the promissory note or the account debtor to the assignment or transfer of, or creation, attachment, or perfection of a security interest in, the promissory note, health care insurance receivable, or general intangible, shall be ineffective to the extent that the term:

(1) Would impair the creation, attachment, or perfection of a security interest; or

(2) Provides that the assignment, transfer, creation, attachment, or perfection of the security interest may give rise to a default, breach, right of recoupment, claim, defense, termination, right of termination, or remedy under the promissory note, health care insurance receivable, or general intangible.

(b) Applicability of subsection (a) of this Code section to sales of certain rights to payment. Subsection (a) of this Code section applies to a security interest in a payment intangible or promissory note only if the security interest arises out of a sale of the payment intangible or promissory note, other than a sale pursuant to a disposition under Code Section 11-9-610 or an acceptance of collateral under Code Section 11-9-620.

(c) Legal restrictions on assignment generally ineffective. Except as otherwise provided in Code Section 53-12-80, a rule of law, statute, or regulation that prohibits, restricts, or requires the consent of a government, governmental body or official, person obligated on a promissory note, or account debtor to the assignment or transfer of, or creation of a security interest in, a promissory note, health care insurance receivable, or general intangible, including a contract, permit, license, or franchise between an account debtor and a debtor, shall be ineffective to the extent that the rule of law, statute, or regulation:

(1) Would impair the creation, attachment, or perfection of a security interest; or

(2) Provides that the assignment, transfer, creation, attachment, or perfection of the security interest may give rise to a default, breach, right of recoupment, claim, defense, termination, right...
of termination, or remedy under the promissory note, health care insurance receivable, or general intangible.

(d) Limitation on ineffectiveness under subsections (a) and (c) of this Code section. To the extent that a term in a promissory note or in an agreement between an account debtor and a debtor which relates to a health care insurance receivable or general intangible or a rule of law, statute, or regulation described in subsection (c) of this Code section would be effective under law other than this article but is ineffective under subsection (a) or (c) of this Code section, the creation, attachment, or perfection of a security interest in the promissory note, health care insurance receivable, or general intangible:

(1) Is not enforceable against the person obligated on the promissory note or the account debtor;

(2) Does not impose a duty or obligation on the person obligated on the promissory note or the account debtor;

(3) Does not require the person obligated on the promissory note or the account debtor to recognize the security interest, pay or render performance to the secured party, or accept payment or performance from the secured party;

(4) Does not entitle the secured party to use or assign the debtor's rights under the promissory note, health care insurance receivable, or general intangible, including any related information or materials furnished to the debtor in the transaction giving rise to the promissory note, health care insurance receivable, or general intangible;

(5) Does not entitle the secured party to use, assign, possess, or have access to any trade secrets or confidential information of the person obligated on the promissory note or the account debtor; and

(6) Does not entitle the secured party to enforce the security interest in the promissory note, health care insurance receivable, or general intangible.

(a) Term or law restricting assignment generally ineffective. A term in a letter of credit or a rule of law, statute, regulation, custom, or practice applicable to the letter of credit which prohibits, restricts, or requires the consent of an applicant, issuer, or nominated person to a beneficiary's assignment of or creation of a security interest in a letter of credit right is ineffective to the extent that the term or rule of law, statute, regulation, custom, or practice:

(1) Would impair the creation, attachment, or perfection of a security interest in the letter of credit right; or

(2) Provides that the assignment, transfer, creation, attachment, or perfection of the security interest may give rise to a default, breach, right of recoupment, claim, defense, termination, right of termination, or remedy under the letter of credit right.

(b) Limitation on ineffectiveness under subsection (a) of this Code section. To the extent that a term in a letter of credit is ineffective under subsection (a) of this Code section but would be effective under law other than this article or a custom or practice applicable to the letter of credit, to the transfer of a right to draw or otherwise demand performance under the letter of credit, or to the assignment of a right to proceeds of the letter of credit, the creation, attachment, or perfection of a security interest in the letter of credit right:

(1) Is not enforceable against the applicant, issuer, nominated person, or transferee beneficiary;

(2) Imposes no duties or obligations on the applicant, issuer, nominated person, or transferee beneficiary; and

(3) Does not require the applicant, issuer, nominated person, or transferee beneficiary to recognize the security interest, pay or render performance to the secured party, or accept payment or other performance from the secured party.

(a) Filing offices. Except as otherwise provided in subsection (b) of this Code section, if the law of this state governs perfection of a security interest or agricultural lien, the office in which to file a financing statement to perfect the security interest or agricultural lien is:

(1) The office designated for the filing or recording of a record of a mortgage on the related real property, if:

(A) The collateral is as-extracted collateral, growing crops, or timber to be cut; or

(B) The financing statement is filed as a fixture filing and the collateral is goods that are or are to become fixtures; or

(2) The office of the clerk of the superior court of any county of this state, in all other cases, including a case in which the collateral is goods that are or are to become fixtures and the financing statement is not filed as a fixture filing.

(b) Filing office for transmitting utilities. The office in which to file a financing statement to perfect a security interest in collateral, including fixtures, of a transmitting utility is the office of the clerk of the superior court of any county of this state. The financing statement also constitutes a fixture filing as to the collateral indicated in the financing statement which is or is to become fixtures.
§ 11-9-502. Contents of financing statement; real estate mortgages as fixture filings; time of filing financing statement.

(a) Sufficiency of financing statement. Subject to subsection (b) of this Code section, a financing statement is sufficient only if it:

1. Provides the name of the debtor;
2. Provides the name of the secured party or a representative of the secured party;
3. Indicates the collateral covered by the financing statement; and
4. Where both (A) the collateral described consists only of consumer goods as defined in paragraph (24) of subsection (a) of Code Section 11-9-102 and (B) the secured obligation is originally $5,000.00 or less, gives the maturity date of the secured obligation or specifies that such obligation is not subject to a maturity date.

(b) Real property related financing statements. Except as otherwise provided in subsection (b) of Code Section 11-9-501, to be sufficient, a financing statement that covers as-extracted collateral, growing crops, or timber to be cut, or which is filed as a fixture filing and covers goods that are or are to become fixtures, must satisfy subsection (a) of this Code section and also:

1. Indicate that it covers this type of collateral;
2. Indicate that it is to be filed for record in the real property records;
3. Provide a description of the real property to which the collateral is related sufficient to give constructive notice of a mortgage under the law of this state if the description were contained in a record of the mortgage of the real property; and
4. If the debtor does not have an interest of record in the real property, provide the name of a record owner.

(c) Real estate mortgages as fixture filings. A real estate mortgage may not be filed as a fixture filing, but one filed prior to January 1, 1995, which was effective as a fixture filing when filed, remains effective as a fixture filing until the mortgage is released or satisfied of record or its effectiveness otherwise terminates as to the real estate.
(c) **Record of mortgage as financing statement.** A record of a mortgage is effective from the date of recording, as a financing statement filed as a fixture filing or as a financing statement covering as-extracted collateral or timber to be cut only if:

1. the record indicates the goods or accounts that it covers;
2. the goods are or are to become fixtures related to the real property described in the record or the collateral is related to the real property described in the record and is as-extracted collateral or timber to be cut;
3. the record satisfies the requirements for a financing statement in this section, but:
   - (A) the record need not indicate that it is to be filed in the real property records; and
   - (B) the record sufficiently provides the name of a debtor who is an individual if it provides the individual name of the debtor or the surname and first personal name of the debtor, even if the debtor is an individual to whom subsection (a)(4) of Code Section 9-503 applies; and
4. the record is duly recorded.

(d) **Filing before security agreement or attachment.** A financing statement may be filed before a security agreement is made or a security interest otherwise attaches.
§ 11-9-503. Name of debtor and secured party.

(a) Sufficiency of debtor's name. A financing statement sufficiently provides the name of the debtor:

(1) If the debtor, except as otherwise provided in paragraph (3), if the debtor is a registered organization or the collateral is held in a trust that is a registered organization, only if the financing statement provides the name of the debtor indicated on the public organic record of the debtor most recently filed with or issued or enacted by the registered organization's jurisdiction of organization which shows the debtor to have been organized purports to state, amend, or restate the registered organization’s name;

(2) If the debtor is subject to subsection (f), if the collateral is being administered by the personal representative of a decedent's estate, only if the financing statement provides, as the name of the debtor, the name of the decedent and, in a separate part of the financing statement, indicates that the collateral is being administered by a personal representative;

(3) If the debtor is a trust or a trustee acting with respect to property collateral is held in a trust that is not a registered organization, only if the financing statement:

(A) provides, as the name of the debtor:

(i) if the organic record of the trust specifies a name for the trust, the name specified; or

(ii) if the organic record of the trust does not specify a name for the trust, the name of the settlor or testator; and

(B) provides the name specified for the trust in its organic documents or, in a separate part of the financing statement:

(i) if the name is provided in accordance with subparagraph (A)(i), indicates that the collateral is held in a trust; or

(ii) if the name is provided in accordance with subparagraph (A)(ii), provides the name of the settlor and additional information sufficient to distinguish the debtor trust.
from other trusts having one or more of the same settlors; and or the same testator and indicates that the collateral is held in a trust, unless the additional information so indicates:

____ (B) Indicates, in the debtor's name or otherwise, that the debtor is a trust or is a trustee acting with respect to property held in trust; and

____ (4) In

(4) subject to subsection (g) of this Code section, if the debtor is an individual to whom this State has issued a driver’s license that has not expired, only if the financing statement provides the name of the individual which is indicated on the driver’s license;

____ (5) if the debtor is an individual to whom paragraph (4) does not apply, only if the financing statement provides the individual name of the debtor or the surname and first personal name of the debtor; and

____ (6) in other cases:

(A) If the debtor has a name, only if the financing statement provides the individual or organizational name of the debtor; and

(B) If the debtor does not have a name, only if it provides the names of the partners, members, associates, or other persons comprising the debtor, in a manner that each name provided would be sufficient if the person named were the debtor.

(b) Additional debtor-related information. A financing statement that provides the name of the debtor in accordance with subsection (a) of this Code section is not rendered ineffective by the absence of:

(1) A trade name or other name of the debtor; or

(2) Unless required under subparagraph subsection (a)(4)(B) of this Code section, names of partners, members, associates, or other persons comprising the debtor.

(c) Debtor's trade name insufficient. A financing statement that provides only the debtor's trade name does not sufficiently provide the name of the debtor.

(d) Representative capacity. Failure to indicate the representative capacity of a secured party or representative of a secured party does not affect the sufficiency of a financing statement.

(e) Multiple debtors and secured parties. A financing statement may provide the name of more than one debtor and the name of more than one secured party.

(f) Name of decedent. The name of the decedent indicated on the order appointing the personal representative of the decedent issued by the court having jurisdiction over the collateral is sufficient as the “name of the decedent” under subsection (a)(2) of this Code section.

(g) Multiple driver’s licenses. If this State has issued to an individual more than one driver’s license of a kind described in subsection (a)(4) of this Code section, the one that was issued most recently is the one to which subsection (a)(4) of this Code section refers.

(h) Definition. In this Code section, the “name of the settlor or testator” means:

(1) If the settlor is a registered organization, the name that is stated to be the settlor’s name on the public organic record most recently filed with or issued or enacted by the
settlor’s jurisdiction of organization which purports to state, amend, or restate the settlor’s name; or

(2) in other cases, the name of the settlor or testator indicated in the trust’s organic record.
§ 11-9-504. Indication of collateral.

A financing statement sufficiently indicates the collateral that it covers if the financing statement provides:

(1) A description of the collateral pursuant to Code Section 11-9-108; or

(2) An indication that the financing statement covers all assets or all personal property.
§ 11-9-505. Filing and compliance with other statutes and treaties for consignments, leases, other bailments, and other transactions.

(a) Use of terms other than "debtor" and "secured party." A consignor, lessor, or other bailor of goods, a licensor, or a buyer of a payment intangible or promissory note may file a financing statement, or may comply with a statute or treaty described in subsection (a) of Code Section 11-9-311, using the terms "consignor," "consignee," "lessor," "lessee," "bailor," "bailee," "licensor," "licensee," "owner," "registered owner," "buyer," "seller," or words of similar import, instead of the terms "secured party" and "debtor".

(b) Effect of financing statement under subsection (a) of this Code section. This part applies to the filing of a financing statement under subsection (a) of this Code section and, as appropriate, to compliance that is equivalent to filing a financing statement under subsection (b) of Code Section 11-9-311, but the filing or compliance is not of itself a factor in determining whether the collateral secures an obligation. If it is determined for another reason that the collateral secures an obligation, a security interest held by the consignor, lessor, bailor, licensor, owner, or buyer which attaches to the collateral is perfected by the filing or compliance.
§ 11-9-506. Effect of errors or omissions.

(a) Minor errors and omissions. A financing statement substantially satisfying the requirements of this part is effective, even if it has minor errors or omissions, unless the errors or omissions make the financing statement seriously misleading.

(b) Financing statement seriously misleading. Except as otherwise provided in subsection (c) of this Code section, a financing statement that fails sufficiently to provide the name of the debtor in accordance with subsection (a) of Code Section 11-9-503 is seriously misleading.

(c) Financing statement not seriously misleading. If a search of the records of the filing office under the debtor's correct name, using the filing office's standard search logic, if any, would disclose a financing statement that fails sufficiently to provide the name of the debtor in accordance with subsection (a) of Code Section 11-9-503, the name provided does not make the financing statement seriously misleading.

(d) "Debtor's correct name." For purposes of subsection (b) of Code Section 11-9-508, the "debtor's correct name" as used in subsection (c) of this Code section means the correct name of the new debtor.
§ 11-9-507. Effect of certain events on effectiveness of financing statement.

(a) Disposition. A filed financing statement remains effective with respect to collateral that is sold, exchanged, leased, licensed, or otherwise disposed of and in which a security interest or agricultural lien continues, even if the secured party knows of or consents to the disposition.

(b) Information becoming seriously misleading. Except as otherwise provided in subsection (c) of this Code section and Code Section 11-9-508, a financing statement is not rendered ineffective if, after the financing statement is filed, the information provided in the financing statement becomes seriously misleading under Code Section 11-9-506.

(c) Change in debtor’s name. If a debtor so changes its name that a filed financing statement provides for a debtor becomes insufficient as the name of the debtor under subsection (a) of Code Section 11-9-503 so that the financing statement becomes seriously misleading under Code Section 11-9-506:

    (1) The financing statement is effective to perfect a security interest in collateral acquired by the debtor before, or within four months after, the change in the filed financing statement becomes seriously misleading; and

    (2) The financing statement is not effective to perfect a security interest in collateral acquired by the debtor more than four months after the change in the filed financing statement becomes seriously misleading, unless an amendment to the financing statement which renders the financing statement not seriously misleading is filed within four months after the change the financing statement became seriously misleading.
§ 11-9-508. Effectiveness of financing statement if new debtor becomes bound by security agreement.

(a) Financing statement naming original debtor. Except as otherwise provided in this Code section, a filed financing statement naming an original debtor is effective to perfect a security interest in collateral in which a new debtor has or acquires rights to the extent that the financing statement would have been effective had the original debtor acquired rights in the collateral.

(b) Financing statement becoming seriously misleading. If the difference between the name of the original debtor and that of the new debtor causes a filed financing statement that is effective under subsection (a) of this Code section to be seriously misleading under Code Section 11-9-506:

(1) The financing statement is effective to perfect a security interest in collateral acquired by the new debtor before, and within four months after, the new debtor becomes bound under subsection (d) of Code Section 11-9-203; and

(2) The financing statement is not effective to perfect a security interest in collateral acquired by the new debtor more than four months after the new debtor becomes bound under subsection (d) of Code Section 11-9-203 unless an initial financing statement providing the name of the new debtor is filed before the expiration of that time.

(c) When Code section not applicable. This Code section does not apply to collateral as to which a filed financing statement remains effective against the new debtor under subsection (a) of Code Section 11-9-507.
§ 11-9-509. Persons entitled to file a record.

(a) *Person entitled to file record.* A person may file an initial financing statement, amendment that adds collateral covered by a financing statement, or amendment that adds a debtor to a financing statement only if:

1. The debtor authorizes the filing in an authenticated record or pursuant to subsection (b) or (c) of this Code section; or
2. The person holds an agricultural lien that has become effective at the time of filing and the financing statement covers only collateral in which the person holds an agricultural lien.

(b) *Security agreement as authorization.* By authenticating or becoming bound as debtor by a security agreement, a debtor or new debtor authorizes the filing of an initial financing statement, and an amendment, covering:

1. The collateral described in the security agreement; and
2. Property that becomes collateral under paragraph (2) of subsection (a) of Code Section 11-9-315, whether or not the security agreement expressly covers proceeds.

(c) *Acquisition of collateral as authorization.* By acquiring collateral in which a security interest or agricultural lien continues under paragraph (1) of subsection (a) of Code Section 11-9-315, a debtor authorizes the filing of an initial financing statement, and an amendment, covering the collateral and property that becomes collateral under paragraph (2) of subsection (a) of Code Section 11-9-315.

(d) *Person entitled to file certain amendments.* A person may file an amendment other than an amendment that adds collateral covered by a financing statement or an amendment that adds a debtor to a financing statement only if:

1. The secured party of record authorizes the filing; or
2. The amendment is a termination statement for a financing statement as to which the secured party of record has failed to file or send a termination statement as required by subsection (a) or (c) of Code Section 11-9-513, the debtor authorizes the filing, and the termination statement indicates that the debtor authorized it to be filed.
(e) *Multiple secured parties of record.* If there is more than one secured party of record for a financing statement, each secured party of record may authorize the filing of an amendment under subsection (d) of this Code section.
§ 11-9-510. Effectiveness of filed record.

(a) Filed record effective if authorized. A filed record is effective only to the extent that it was filed by a person that may file it under Code Section 11-9-509.

(b) Authorization by one secured party of record. A record authorized by one secured party of record does not affect the financing statement with respect to another secured party of record.

(c) Continuation statement not timely filed. A continuation statement that is not filed within the six-month period prescribed by subsection (c) of Code Section 11-9-515 is ineffective.
§ 11-9-511. Secured party of record.

(a) Secured party of record. A secured party of record with respect to a financing statement is a person whose name is provided as the name of the secured party or a representative of the secured party in an initial financing statement that has been filed. If an initial financing statement is filed under subsection (a) of Code Section 11-9-514, the assignee named in the initial financing statement is the secured party of record with respect to the financing statement.

(b) Amendment naming secured party of record. If an amendment of a financing statement which provides the name of a person as a secured party or a representative of a secured party is filed, the person named in the amendment is a secured party of record. If an amendment is filed under subsection (b) of Code Section 11-9-514, the assignee named in the amendment is a secured party of record.

(c) Amendment deleting secured party of record. A person remains a secured party of record until the filing of an amendment of the financing statement which deletes the person.
§ 11-9-512. Amendment of financing statement.

(a) Amendment of information in financing statement. Subject to Code Section 11-9-509, a person may add or delete collateral covered by, continue or terminate the effectiveness of, or, subject to subsection (e) of this Code section, otherwise amend the information provided in a financing statement by filing an amendment that:

(1) Identifies, by its file number, the initial financing statement to which the amendment relates; and

(2) If the amendment relates to an initial financing statement filed or recorded in a filing office described in paragraph (1) of subsection (a) of Code Section 11-9-501, provides the information specified in subsection (b) of Code Section 11-9-502.

(b) Period of effectiveness not affected. Except as otherwise provided in Code Section 11-9-515, the filing of an amendment does not extend the period of effectiveness of the financing statement.

(c) Effectiveness of amendment adding collateral. A financing statement that is amended by an amendment that adds collateral is effective as to the added collateral only from the date of the filing of the amendment.

(d) Effectiveness of amendment adding debtor. A financing statement that is amended by an amendment that adds a debtor is effective as to the added debtor only from the date of the filing of the amendment.

(e) Certain amendments ineffective. An amendment is ineffective to the extent it:

(1) Purports to delete all debtors and fails to provide the name of a debtor to be covered by the financing statement; or

(2) Purports to delete all secured parties of record and fails to provide the name of a new secured party of record.
§ 11-9-513. Termination statement.

(a) Consumer goods. A secured party shall cause the secured party of record for a financing statement to file a termination statement for the financing statement if the financing statement covers consumer goods and:

1. There is no obligation secured by the collateral covered by the financing statement and no commitment to make an advance, incur an obligation, or otherwise give value; or
2. The debtor did not authorize the filing of the initial financing statement.

(b) Time for compliance with subsection (a) of this Code section. To comply with subsection (a) of this Code section, a secured party shall cause the secured party of record to file the termination statement:

1. Within one month after there is no obligation secured by the collateral covered by the financing statement and no commitment to make an advance, incur an obligation, or otherwise give value; or
2. If earlier, within 20 days after the secured party receives an authenticated demand from a debtor.

(c) Other collateral. In cases not governed by subsection (a) of this Code section, within 90 days after there is no obligation secured by the collateral covered by or described in the financing statement and no commitment to make an advance, incur an obligation, or otherwise give value or, if earlier, within 20 days after a secured party receives an authenticated demand from a debtor, the secured party shall cause the secured party of record for a financing statement to send to the debtor a termination statement for the financing statement or file the termination statement in the filing office if:

1. Except in the case of a financing statement covering accounts or chattel paper that has been sold or goods that are the subject of a consignment, there is no obligation secured by the collateral covered by the financing statement and no commitment to make an advance, incur an obligation, or otherwise give value;
(2) The financing statement covers accounts or chattel paper that has been sold but as to which the account debtor or other person obligated has discharged its obligation;

(3) The financing statement covers goods that were the subject of a consignment to the debtor but are not in the debtor's possession; or

(4) The debtor did not authorize the filing of the initial financing statement.

(d) **Effect of filing termination statement.** Except as otherwise provided in Code Section 11-9-510, upon the filing of a termination statement with the filing office, the financing statement to which the termination statement relates ceases to be effective.
§ 11-9-514. Assignment of powers of secured party of record.

(a) *Assignment reflected on initial financing statement.* An initial financing statement may reflect an assignment of all of the secured party's power to authorize an amendment to the financing statement by providing the name and mailing address of the assignee as the name and address of the secured party.

(b) *Assignment of filed financing statement.* A secured party of record may assign of record all or part of its power to authorize an amendment to a financing statement by filing in the filing office an amendment of the financing statement which:

(1) Identifies, by its file number, the initial financing statement to which it relates;

(2) Provides the name of the assignor; and

(3) Provides the name and mailing address of the assignee.
§ 11-9-515. Duration and effectiveness of financing statement; effect of lapsed financing statement.

(a) **Five-year effectiveness.** Except as otherwise provided in subsection (d) of this Code section, a filed financing statement is effective for a period of five years after the date of filing or until the twentieth day after any earlier maturity date required to be specified on the filed financing statement.

(b) **Lapse and continuation of financing statement.** The effectiveness of a filed financing statement lapses on the expiration of the period of its effectiveness unless before the lapse a continuation statement is filed pursuant to subsection (c) of this Code section. Upon lapse, a financing statement ceases to be effective and any security interest or agricultural lien that was perfected by the financing statement becomes unperfected, unless the security interest is perfected otherwise. If the security interest or agricultural lien becomes unperfected upon lapse, it is deemed never to have been perfected as against a purchaser of the collateral for value.

(c) **When continuation statement may be filed.** A continuation statement may be filed only within six months before the expiration of the five-year period specified in subsection (a) of this Code section or the occurrence of any earlier maturity date required to be specified on a filed financing statement.

(d) **Effect of filing continuation statement.** Except as otherwise provided in Code Section 11-9-510, upon timely filing of a continuation statement, the effectiveness of the initial financing statement continues for a period of five years commencing on the day on which the financing statement would have become ineffective in the absence of the filing or, where both (1) the collateral described consists only of consumer goods as defined in paragraph (24) of subsection (a) of Code Section 11-9-102 and (2) the secured obligation is originally $5,000.00 or less, any earlier maturity date of the secured obligation specified on such continuation statement. Upon the expiration of the five-year period or the earlier occurrence of a required specified maturity date, the financing statement lapses in the same manner as provided in subsection (b) of this Code section, unless, before the lapse, another continuation statement is filed pursuant to subsection (c) of this Code section. Succeeding continuation statements may be filed in the same manner to continue the effectiveness of the initial financing statement.
(e) Record of mortgage as financing statement. A record of a mortgage that is effective as a financing statement filed as a fixture filing under subsection (c) of Code Section 11-9-502 remains effective as a financing statement filed as a fixture filing until the mortgage is released or satisfied of record or its effectiveness otherwise terminates as to the real property.
§ 11-9-516. What constitutes filing; effectiveness of filing.

(a) What constitutes filing. Except as otherwise provided in subsection (b) of this Code section, communication of a record to a filing office and tender of the filing fee or acceptance of the record by the filing office constitutes filing.

(b) Refusal to accept record; filing does not occur. Filing does not occur with respect to a record that a filing office refuses to accept because:

(1) The record is not communicated by a method or medium of communication authorized by the filing office;

(2) An amount equal to or greater than the applicable filing fee is not tendered;

(3) The authority is unable to index the record because:

(A) In the case of an initial financing statement, the record does not provide a name for the debtor;

(B) In the case of an amendment or correction statement, the record:

(i) Does not identify the initial financing statement as required by Code Section 11-9-512 or 11-9-518, as applicable;

(ii) Identifies an initial financing statement whose effectiveness has lapsed under Code Section 11-9-515;

(iii) Identifies more than one initial financing statement; or

(iv) Indicates that it is presented to accomplish more than one action, such as amendment and continuation;

(C) In the case of an initial financing statement that provides the name of a debtor identified as an individual or an amendment that provides a name of a debtor identified as an individual which was not previously provided in the financing statement to which the record relates, the record does not identify the debtor's last name;
(D) In the case of a record filed or recorded in the filing office described in paragraph (1) of subsection (a) of Code Section 11-9-501, the record does not provide a sufficient description of the real property to which it relates;

(4) In the case of an initial financing statement or an amendment that adds a secured party of record, the record does not provide a name and mailing address for the secured party of record;

(5) In the case of an initial financing statement or an amendment that provides a name of a debtor which was not previously provided in the financing statement to which the amendment relates, the record does not:

(A) Provide a mailing address for the debtor; or

(B) Indicate whether the name provided as the name of the debtor is the name of an individual or an organization; or

(C) If the financing statement indicates that the debtor is an organization, provide:

(i) A type of organization for the debtor; or

(ii) A jurisdiction of organization for the debtor; or

(6) In the case of an assignment reflected in an initial financing statement under subsection (a) of Code Section 11-9-514 or an amendment filed under subsection (b) of Code Section 11-9-514, the record does not provide a name and mailing address for the assignee.

(c) Rules applicable to subsection (b) of this Code section. For purposes of subsection (b) of this Code section:

(1) A record does not provide information if the filing office is unable to read or decipher the information; and

(2) A record that does not indicate that it is an amendment or accurately identify an initial financing statement to which it relates, as required by Code Section 11-9-512, 11-9-514, or 11-9-518, is an initial financing statement.

(d) Refusal to accept record; record effective as filed record. A record that is communicated to the filing office with tender of the filing fee, but which the filing office refuses to accept for a reason other than one set forth in subsection (b) of this Code section, is effective as a filed record except as against a purchaser of the collateral which gives value in reasonable reliance upon the absence of the record from the files.
§ 11-9-517. Effect of indexing errors.

The failure of the filing office or authority to index a record correctly does not affect the effectiveness of the filed record.
§ 11-9-518. Inaccurate or wrongfully filed record.

(a) **Correction statement**. A person may file in the filing office an information statement with respect to a record indexed under the person's name if the person believes that the record is inaccurate or was wrongfully filed. The correction information statement shall be filed in the filing office of the county where the record was filed.

(b) **Sufficiency Contents of correction statement**. An information statement under subsection (a) of this Code section must:

1. Identify the record to which it relates by the file number assigned to the initial financing statement to which the record relates;
2. Indicate that it is a correction information statement; and
3. Provide the basis for the person's belief that the record is inaccurate and indicate the manner in which the person believes the record should be amended to cure any inaccuracy or provide the basis for the person's belief that the record was wrongfully filed.

(c) **Statement by secured party of record**. A person may file in the filing office an information statement with respect to a record filed there if the person is a secured party of record with respect to the financing statement to which the record relates and believes that the person that filed the record was not entitled to do so under subsection (d) of Code section 11-9-509.

(d) **Contents of statement under subsection (c)**. An information statement under subsection (c) must:

1. Identify the record to which it relates by the file number assigned to the initial financing statement to which the record relates;
2. Indicate that it is an information statement; and
3. Provide the basis for the person's belief that the person that filed the record was not entitled to do so under subsection (d) of Code Section 11-9-509.
(ee) Record not affected by correction information statement. The filing of a correction information statement does not affect the effectiveness of an initial financing statement or other filed record.
§ 11-9-519. Numbering, maintaining, and indexing records; communicating information provided in records.

(a) Filing office duties. For each record filed in a filing office, the filing office shall:

(1) Assign a unique number to the filed record;

(2) Create a record that bears the number assigned to the filed record and the date and time of filing;

(3) Maintain the filed record or a microfilm or other photostatic, microphotographic, photographic copy, or optical image of the filed record for public inspection;

(4) Transmit each record to the authority in such form and manner as may be required by the authority within 24 hours of filing. Weekends and holidays shall not be included in the calculation of the 24 hour period; and

(5) Promptly upon discovering any discrepancy between a filed record and the information as it appears in the central indexing system, retransmit such record to the authority with a notation as to the discrepancy and a request for correction of the central indexing system information.

(b) Central indexing system.

(1) The authority shall administer, maintain, and modify a central indexing system which shall contain the records transmitted to it by filing offices pursuant to paragraph (4) of subsection (a) of this Code section. The authority shall, within 24 hours after receipt of each record, include the record in the central filing system and make such information available to the public through the central index. Weekends and holidays shall not be included in the calculation of the 24 hour period.

(2) The authority may designate one or more agents who will be responsible for any or all of the duties and functions of the authority set out in this Code section.

(c) Indexing; general. The authority shall:
(1) Index an initial financing statement according to the name of the debtor and index all filed records relating to the initial financing statement in a manner that associates with one another an initial financing statement and all filed records relating to the initial financing statement; and

(2) Index a record that provides a name of a debtor which was not previously provided in the financing statement to which the record relates also according to the name that was not previously provided.

(d) **Indexing; real property related financing statement.** If a financing statement is filed as a fixture filing or covers as-extracted collateral, crops, or timber to be cut, it must be filed for record and the filing office shall index it:

(1) Under the names of the debtor and of each owner of record shown on the financing statement as if they were the mortgagors under a mortgage of the real property described; and

(2) To the extent that the law of this state provides for indexing of records of mortgages under the name of the mortgagor, under the name of the secured party as if the secured party were the mortgagee thereunder, or, if indexing is by description, as if the financing statement were a record of a mortgage of the real property described.

(e) **Indexing; real property related assignment.** If a financing statement is filed as a fixture filing or covers as-extracted collateral, crops, or timber to be cut, the filing office shall index an assignment filed under subsection (a) of Code Section 11-9-514 or an amendment filed under subsection (b) of Code Section 11-9-514:

(1) Under the name of the assignor as grantor; and

(2) To the extent that the law of this state provides for indexing a record of the assignment of a mortgage, under the name of the assignee.

(f) **Retrieval and association capability.** The authority and each filing office shall maintain a capability with respect to the records they are required to index:

(1) To retrieve a record by the name of the debtor and by the file number assigned to the initial financing statement to which the record relates; and

(2) To associate and retrieve with one another an initial financing statement and each filed record relating to the initial financing statement.

(g) **Removal of debtor’s name.** The authority may not remove a debtor's name from the central index until one year after the effectiveness of a financing statement naming the debtor lapses under Code Section 11-9-515 with respect to all secured parties of record.
§ 11-9-520. Acceptance and refusal to accept record.

(a) *Refusal to accept record.* A filing office may refuse to accept a record for filing only for a reason set forth in subsection (b) of Code Section 11-9-516.

(b) *Communication concerning refusal.* If a filing office refuses to accept a record for filing, it shall communicate to the person that presented the record the fact of and reason for the refusal and the date and time the record would have been filed had the filing office accepted it. The communication must be made at the time and in the manner prescribed by filing office rule but in no event more than two business days after the filing office receives the record.

(c) *When filed financing statement effective.* A filed financing statement satisfying subsections (a) and (b) of Code Section 11-9-502 is effective, even if the filing office refuses to accept it for filing under subsection (a) of this Code section. However, Code Section 11-9-338 applies to a filed financing statement providing information described in paragraph (5) of subsection (b) of Code Section 11-9-516 which is incorrect at the time the financing statement is filed.

(d) *Separate application to multiple debtors.* If a record communicated to a filing office provides information that relates to more than one debtor, this part applies as to each debtor separately.
§ 11-9-521. Uniform form of written financing statement and amendment; authority may prescribe forms.

(a) Initial financing statement form. Except for a reason set forth in subsection (b) of Code Section 11-9-516, a filing office that accepts written records may not refuse to accept a written initial financing statement in the form and format set forth in Section 9-521(a) of the Official Text of Revised the final official text of the 2010 amendments to Article 9, 2000 Revision, of the Uniform Commercial Code promulgated by the American Law Institute and the National Conference of Commissioners on Uniform State Laws, and such form and format are incorporated into this subsection by reference.

(a) Postlapse maintenance and retrieval of information. The authority shall maintain a record of the information provided in a filed record for at least one year after the effectiveness of such record or the initial financing statement to which such record relates has lapsed under Code Section 11-9-515 with respect to all secured parties of record. The record must be retrievable by using the name of the debtor and by using the file number assigned to the initial financing statement to which the record relates.

(b) Destruction of written records. Except to the extent that an applicable statute governing disposition of public records provides otherwise, the filing office or the authority immediately may destroy any written record evidencing a financing statement. However, if the filing office or the authority destroys a written record, it shall maintain another record of the financing statement which complies with subsection (a) of this Code section.

(e) Lien of levy after judgment. If a secured party has reduced its claim to judgment, the lien of any levy that may be made upon the collateral by virtue of an execution based upon the judgment relates back to the earliest of:

(1) The date of perfection of the security interest or agricultural lien in the collateral;

(2) The date of filing a financing statement covering the collateral; or

(3) Any date specified in a statute under which the agricultural lien was created.

(f) Execution sale. A sale pursuant to an execution is a foreclosure of the security interest or agricultural lien by judicial procedure within the meaning of this Code section. A secured party may purchase at the sale and thereafter hold the collateral free of any other requirements of this article.
(g) *Consignor or buyer of certain rights to payment.* Except as otherwise provided in subsection (c) of *Code Section 11-9-607*, this part imposes no duties upon a secured party that is a consignor or is a buyer of accounts, chattel paper, payment intangibles, or promissory notes.
§ 11-9-602.  Waiver and variance of rights and duties.

Except as otherwise provided in Code Section 11-9-624, to the extent that they give rights to a debtor or obligor and impose duties on a secured party, the debtor or obligor may not waive or vary the rules stated in the following listed sections:

1. Subparagraph (b)(4)(C) of Code Section 11-9-207, which deals with use and operation of the collateral by the secured party;

2. Code Section 11-9-210, which deals with requests for an accounting and requests concerning a list of collateral and statement of account;

3. Subsection (c) of Code Section 11-9-607, which deals with collection and enforcement of collateral;

4. Subsection (a) of Code Section 11-9-608 and subsection (c) of Code Section 11-9-615 to the extent that they deal with application or payment of noncash proceeds of collection, enforcement, or disposition;

5. Subsection (a) of Code Section 11-9-608 and subsection (d) of Code Section 11-9-615 to the extent that they require accounting for or payment of surplus proceeds of collateral;

6. Code Section 11-9-609 to the extent that it imposes upon a secured party that takes possession of collateral without judicial process the duty to do so without breach of the peace;

7. Subsection (b) of Code Section 11-9-610 and Code Sections 11-9-611, 11-9-613, and 11-9-614, which deal with disposition of collateral;

8. Subsection (f) of Code Section 11-9-615, which deals with calculation of a deficiency or surplus when a disposition is made to the secured party, a person related to the secured party, or a secondary obligor;

9. Code Section 11-9-616, which deals with explanation of the calculation of a surplus or deficiency;

10. Code Sections 11-9-620, 11-9-621, and 11-9-622, which deal with acceptance of collateral in satisfaction of obligation;

(12) *Code Section 11-9-624*, which deals with permissible waivers; and

(13) *Code Sections 11-9-625* and 11-9-626, which deal with the secured party's liability for failure to comply with this article.
§ 11-9-603. Agreement on standards concerning rights and duties.

(a) *Agreed standards.* The parties may determine by agreement the standards measuring the fulfillment of the rights of a debtor or obligor and the duties of a secured party under a rule stated in *Code Section 11-9-602* if the standards are not manifestly unreasonable.

(b) *Agreed standards inapplicable to breach of peace.* Subsection (a) of this Code section does not apply to the duty under *Code Section 11-9-609* to refrain from breaching the peace.
§ 11-9-604. Procedure if security agreement covers real property or fixtures.

(a) Enforcement; personal and real property. If a security agreement covers both personal and real property, a secured party may proceed:

(1) Under this part as to the personal property without prejudicing any rights with respect to the real property; or

(2) As to both the personal property and the real property in accordance with the rights with respect to the real property, in which case the other provisions of this part do not apply.

(b) Enforcement; fixtures. Subject to subsection (c) of this Code section, if a security agreement covers goods that are or become fixtures, a secured party may proceed:

(1) Under this part; or

(2) In accordance with the rights with respect to real property, in which case the other provisions of this part do not apply.

(c) Removal of fixtures. Subject to the other provisions of this part, if a secured party holding a security interest in fixtures has priority over all owners and encumbrancers of the real property, the secured party, after default, may remove the collateral from the real property.

(d) Injury caused by removal. A secured party that removes collateral shall promptly reimburse any encumbrancer or owner of the real property, other than the debtor, for the cost of repair of any physical injury caused by the removal. The secured party need not reimburse the encumbrancer or owner for any diminution in value of the real property caused by the absence of the goods removed or by any necessity of replacing them. A person entitled to reimbursement may refuse permission to remove until the secured party gives adequate assurance for the performance of the obligation to reimburse.
§ 11-9-605. Unknown debtor or secondary obligor.

A secured party does not owe a duty based on its status as secured party:

(1) To a person that is a debtor or obligor, unless the secured party knows:
   (A) That the person is a debtor or obligor;
   (B) The identity of the person; and
   (C) How to communicate with the person; or

(2) To a secured party or lienholder that has filed a financing statement against a person, unless the secured party knows:
   (A) That the person is a debtor; and
   (B) The identity of the person.

For purposes of this part, a default occurs in connection with an agricultural lien at the time the secured party becomes entitled to enforce the lien in accordance with the statute under which it was created.
§ 11-9-607. Collection and enforcement by secured party.

(a) Collection and enforcement generally. If so agreed, and in any event after default, a secured party:

(1) May notify an account debtor or other person obligated on collateral to make payment or otherwise render performance to or for the benefit of the secured party;

(2) May take any proceeds to which the secured party is entitled under Code Section 11-9-315;

(3) May enforce the obligations of an account debtor or other person obligated on collateral and exercise the rights of the debtor with respect to the obligation of the account debtor or other person obligated on collateral to make payment or otherwise render performance to the debtor and with respect to any property that secures the obligations of the account debtor or other person obligated on the collateral;

(4) If it holds a security interest in a deposit account perfected by control under paragraph (1) of subsection (a) of Code Section 11-9-104, may apply the balance of the deposit account to the obligation secured by the deposit account; and

(5) If it holds a security interest in a deposit account perfected by control under paragraph (2) or (3) of subsection (a) of Code Section 11-9-104, may instruct the bank to pay the balance of the deposit account to or for the benefit of the secured party.

(b) Nonjudicial enforcement of mortgage. If necessary to enable a secured party to exercise under paragraph (3) of subsection (a) of this Code section the right of a debtor to enforce a mortgage nonjudicially, the secured party may record in the office in which a record of the mortgage is recorded:

(1) A copy of the security agreement that creates or provides for a security interest in the obligation secured by the mortgage; and

(2) The secured party's sworn affidavit in recordable form stating that:

(A) A default has occurred [with respect to the obligation secured by the mortgage]; and

(B) The secured party is entitled to enforce the mortgage nonjudicially.
(c) *Commercially reasonable collection and enforcement.* A secured party shall proceed in a commercially reasonable manner if the secured party:

1. Undertakes to collect from or enforce an obligation of an account debtor or other person obligated on collateral; and
2. Is entitled to charge back uncollected collateral or otherwise to full or limited recourse against the debtor or a secondary obligor.

(d) *Expenses of collection and enforcement.* A secured party may deduct from the collections made pursuant to subsection (c) of this Code section reasonable expenses of collection and enforcement, including reasonable attorney's fees and legal expenses incurred by the secured party.

(e) *Duties to secured party not affected.* This Code section does not determine whether an account debtor, bank, or other person obligated on collateral owes a duty to a secured party.
§ 11-9-608. Application of proceeds of collection or enforcement; liability for deficiency and right to surplus.

(a) Application of proceeds, surplus, and deficiency if obligation secured. If a security interest or agricultural lien secures payment or performance of an obligation, the following rules apply:

(1) A secured party shall apply or pay over for application the cash proceeds of collection or enforcement under Code Section 11-9-607 in the following order to:

(A) The reasonable expenses of collection and enforcement and, to the extent provided for by agreement and not prohibited by law, reasonable attorney's fees and legal expenses incurred by the secured party;

(B) The satisfaction of obligations secured by the security interest or agricultural lien under which the collection or enforcement is made; and

(C) The satisfaction of obligations secured by any subordinate security interest in or other lien on the collateral subject to the security interest or agricultural lien under which the collection or enforcement is made if the secured party receives an authenticated demand for proceeds before distribution of the proceeds is completed;

(2) If requested by a secured party, a holder of a subordinate security interest or other lien shall furnish reasonable proof of the interest or lien within a reasonable time. Unless the holder complies, the secured party need not comply with the holder's demand under subparagraph (C) of paragraph (1) of this subsection;

(3) A secured party need not apply or pay over for application noncash proceeds of collection and enforcement under Code Section 11-9-607 unless the failure to do so would be commercially unreasonable. A secured party that applies or pays over for application noncash proceeds shall do so in a commercially reasonable manner; and

(4) A secured party shall account to and pay a debtor for any surplus, and the obligor is liable for any deficiency.

(b) No surplus or deficiency in sales of certain rights to payment. If the underlying transaction is a sale of accounts, chattel paper, payment intangibles, or promissory notes, the debtor is not entitled to any surplus, and the obligor is not liable for any deficiency.
§ 11-9-609. Secured party's right to take possession after default.

(a) Possession; rendering equipment unusable; disposition on debtor's premises. After default, a secured party:

(1) May take possession of the collateral; and
(2) Without removal, may render equipment unusable and dispose of collateral on a debtor's premises under Code Section 11-9-610.

(b) Judicial and nonjudicial process. A secured party may proceed under subsection (a) of this Code section:

(1) Pursuant to judicial process; or
(2) Without judicial process, if it proceeds without breach of the peace.

(c) Assembly of collateral. If so agreed, and in any event after default, a secured party may require the debtor to assemble the collateral and make it available to the secured party at a place to be designated by the secured party which is reasonably convenient to both parties.
§ 11-9-610. Disposition of collateral after default.

(a) Disposition after default. After default, a secured party may sell, lease, license, or otherwise dispose of any or all of the collateral in its present condition or following any commercially reasonable preparation or processing.

(b) Commercially reasonable disposition. Every aspect of a disposition of collateral, including the method, manner, time, place, and other terms, must be commercially reasonable. If commercially reasonable, a secured party may dispose of collateral by public or private proceedings, by one or more contracts, as a unit or in parcels, and at any time and place and on any terms.

(c) Purchase by secured party. A secured party may purchase collateral:

(1) At a public disposition; or

(2) At a private disposition only if the collateral is of a kind that is customarily sold on a recognized market or the subject of widely distributed standard price quotations.

(d) Warranties on disposition. A contract for sale, lease, license, or other disposition includes the warranties relating to title, possession, quiet enjoyment, and the like which by operation of law accompany a voluntary disposition of property of the kind subject to the contract.

(e) Disclaimer of warranties. A secured party may disclaim or modify warranties under subsection (d) of this Code section:

(1) In a manner that would be effective to disclaim or modify the warranties in a voluntary disposition of property of the kind subject to the contract of disposition; or

(2) By communicating to the purchaser a record evidencing the contract for disposition and including an express disclaimer or modification of the warranties.

(f) Record sufficient to disclaim warranties. A record is sufficient to disclaim warranties under subsection (e) of this Code section if it indicates "There is no warranty relating to title, possession, quiet enjoyment, or the like in this disposition" or uses words of similar import.
§ 11-9-611. Notification before disposition of collateral.

(a) "Notification date." As used in this Code section, the term "notification date" means the earlier of the date on which:

1. A secured party sends to the debtor and any secondary obligor an authenticated notification of disposition; or
2. The debtor and any secondary obligor waive the right to notification.

(b) Notification of disposition required. Except as otherwise provided in subsection (d) of this Code section, a secured party that disposes of collateral under Code Section 11-9-610 shall send to the persons specified in subsection (c) of this Code section a reasonable authenticated notification of disposition.

(c) Persons to be notified. To comply with subsection (b) of this Code section, the secured party shall send an authenticated notification of disposition to:

1. The debtor;
2. Any secondary obligor; and
3. If the collateral is other than consumer goods:
   A. Any other person from which the secured party has received, before the notification date, an authenticated notification of a claim of an interest in the collateral;
   B. Any other secured party or lienholder that, ten days before the notification date, held a security interest in or other lien on the collateral perfected by the filing of a financing statement that:
      i. Identified the collateral;
      ii. Was indexed under the debtor's name as of that date; and
      iii. Was filed in the office in which to file a financing statement against the debtor covering the collateral as of that date; and
(C) Any other secured party that, ten days before the notification date, held a security interest in the collateral perfected by compliance with a statute, regulation, or treaty described in subsection (a) of Code Section 11-9-311.

(d) **Subsection (b) of this Code section inapplicable; perishable collateral; recognized market.** Subsection (b) of this Code section does not apply if the collateral is perishable or threatens to decline speedily in value or is of a type customarily sold on a recognized market.

(e) **Compliance with subparagraph (c)(3)(B) of this Code section.** A secured party complies with the requirement for notification prescribed by subparagraph (c)(3)(B) of this Code section if:

1. Not later than 20 days or earlier than 30 days before the notification date, the secured party requests, in a commercially reasonable manner, information concerning financing statements indexed under the debtor's name in the office indicated in subparagraph (c)(3)(B) of this Code section; and

2. Before the notification date, the secured party:

   (A) Did not receive a response to the request for information; or

   (B) Received a response to the request for information and sent an authenticated notification of disposition to each secured party or other lienholder named in that response whose financing statement covered the collateral.
§ 11-9-612. Timeliness of notification before disposition of collateral.

(a) *Reasonable time is question of fact.* Except as otherwise provided in subsection (b) of this Code section, whether a notification is sent within a reasonable time is a question of fact.

(b) *Ten-day period sufficient in nonconsumer transaction.* In a transaction other than a consumer transaction, a notification of disposition sent after default and ten days or more before the earliest time of disposition set forth in the notification is sent within a reasonable time before the disposition.

Except in a consumer goods transaction, the following rules apply:

(1) The contents of a notification of disposition are sufficient if the notification:
   (A) Describes the debtor and the secured party;
   (B) Describes the collateral that is the subject of the intended disposition;
   (C) States the method of intended disposition;
   (D) States that the debtor is entitled to an accounting of the unpaid indebtedness and states the charge, if any, for an accounting; and
   (E) States the time and place of a public disposition or the time after which any other disposition is to be made;

(2) Whether the contents of a notification that lacks any of the information specified in paragraph (1) of this Code section are nevertheless sufficient is a question of fact;

(3) The contents of a notification providing substantially the information specified in paragraph (1) of this Code section are sufficient, even if the notification includes:
   (A) Information not specified by that paragraph; or
   (B) Minor errors that are not seriously misleading;

§ 11-9-615. Application of proceeds of disposition; liability for deficiency and right to surplus.

(a) Application of proceeds. A secured party shall apply or pay over for application the cash proceeds of a disposition under Code Section 11-9-610 in the following order to:

1. The reasonable expenses of retaking, holding, preparing for disposition, processing, and disposing, and, to the extent provided for by agreement and not prohibited by law, reasonable attorney's fees and legal expenses incurred by the secured party;

2. The satisfaction of obligations secured by the security interest or agricultural lien under which the disposition is made;

3. The satisfaction of obligations secured by any subordinate security interest in or other subordinate lien on the collateral if:
   
   A. The secured party receives from the holder of the subordinate security interest or other lien an authenticated demand for proceeds before distribution of the proceeds is completed; and

   B. In a case in which a consignor has an interest in the collateral, the subordinate security interest or other lien is senior to the interest of the consignor; and

4. A secured party that is a consignor of the collateral if the secured party receives from the consignor an authenticated demand for proceeds before distribution of the proceeds is completed.

(b) Proof of subordinate interest. If requested by a secured party, a holder of a subordinate security interest or other lien shall furnish reasonable proof of the interest or lien within a reasonable time. Unless the holder does so, the secured party need not comply with the holder's demand under paragraph (3) of subsection (a) of this Code section.

(c) Application of noncash proceeds. A secured party need not apply or pay over for application noncash proceeds of a disposition under Code Section 11-9-610 unless the failure to do so would be commercially unreasonable. A secured party that applies or pays over for application noncash proceeds shall do so in a commercially reasonable manner.

(d) Surplus or deficiency if obligation secured. If the security interest under which a disposition is made secures payment or performance of an obligation, after making the payments
and applications required by subsection (a) of this Code section and permitted by subsection (c) of this Code section:

(1) Unless paragraph (4) of subsection (a) of this Code section requires the secured party to apply or pay over cash proceeds to a consignor, the secured party shall account to and pay a debtor for any surplus; and

(2) The obligor is liable for any deficiency.

(e) *No surplus or deficiency in sales of certain rights to payment.* If the underlying transaction is a sale of accounts, chattel paper, payment intangibles, or promissory notes:

(1) The debtor is not entitled to any surplus; and

(2) The obligor is not liable for any deficiency.

(f) *Calculation of surplus or deficiency in disposition to person related to secured party.* The surplus or deficiency following a disposition is calculated based on the amount of proceeds that would have been realized in a disposition complying with this part to a transferee other than the secured party, a person related to the secured party, or a secondary obligor if:

(1) The transferee in the disposition is the secured party, a person related to the secured party, or a secondary obligor; and

(2) The amount of proceeds of the disposition is significantly below the range of proceeds that a complying disposition to a person other than the secured party, a person related to the secured party, or a secondary obligor would have brought.

(g) *Cash proceeds received by junior secured party.* A secured party that receives cash proceeds of a disposition in good faith and without knowledge that the receipt violates the rights of the holder of a security interest or other lien that is not subordinate to the security interest or agricultural lien under which the disposition is made:

(1) Takes the cash proceeds free of the security interest or other lien;

(2) Is not obligated to apply the proceeds of the disposition to the satisfaction of obligations secured by the security interest or other lien; and

(3) Is not obligated to account to or pay the holder of the security interest or other lien for any surplus.
§ 11-9-616. Explanation of calculation of surplus or deficiency.

(a) Definitions. As used in this Code section, the term:

   (1) "Explanation" means a writing that:

       (A) States the amount of the surplus or deficiency;

       (B) Provides an explanation in accordance with subsection (c) of this Code section of
           how the secured party calculated the surplus or deficiency;

       (C) States, if applicable, that future debits, credits, charges, including additional credit
           service charges or interest, rebates, and expenses may affect the amount of the surplus or
           deficiency; and

       (D) Provides a telephone number or mailing address from which additional information
           concerning the transaction is available.

   (2) "Request" means a record:

       (A) Authenticated by a debtor or consumer obligor;

       (B) Requesting that the recipient provide an explanation; and

       (C) Sent after disposition of the collateral under Code Section 11-9-610.

(b) Explanation of calculation. In a consumer goods transaction in which the debtor is
    entitled to a surplus or a consumer obligor is liable for a deficiency under Code Section 11-9-615,
    the secured party shall:

    (1) Send an explanation to the debtor or consumer obligor, as applicable, after the
        disposition and:

        (A) Before or when the secured party accounts to the debtor and pays any surplus or first
            makes written demand on the consumer obligor after the disposition for payment of the deficiency;
            and

        (B) Within 14 days after receipt of a request; or
(2) In the case of a consumer obligor who is liable for a deficiency, within 14 days after receipt of a request, send to the consumer obligor a record waiving the secured party's right to a deficiency.

(c) Required information. To comply with subparagraph (a)(1)(B) of this Code section, a writing must provide the following information in the following order:

(1) The aggregate amount of obligations secured by the security interest under which the disposition was made, and, if the amount reflects a rebate of unearned interest or credit service charge, an indication of that fact, calculated as of a specified date:

(A) If the secured party takes or receives possession of the collateral after default, not more than 35 days before the secured party takes or receives possession; or

(B) If the secured party takes or receives possession of the collateral before default or does not take possession of the collateral, not more than 35 days before the disposition;

(2) The amount of proceeds of the disposition;

(3) The aggregate amount of the obligations after deducting the amount of proceeds;

(4) The amount, in the aggregate or by type, and types of expenses, including expenses of retaking, holding, preparing for disposition, processing, and disposing of the collateral, and attorney's fees secured by the collateral which are known to the secured party and relate to the current disposition;

(5) The amount, in the aggregate or by type, and types of credits, including rebates of interest or credit service charges, to which the obligor is known to be entitled and which are not reflected in the amount in paragraph (1) of this subsection; and

(6) The amount of the surplus or deficiency.

(d) Substantial compliance. A particular phrasing of the explanation is not required. An explanation complying substantially with the requirements of subsection (a) of this Code section is sufficient, even if it includes minor errors that are not seriously misleading.

(e) Charges for responses. A debtor or consumer obligor is entitled without charge to one response to a request under this Code section during any six-month period in which the secured party did not send to the debtor or consumer obligor an explanation pursuant to paragraph (1) of subsection (b) of this Code section. The secured party may require payment of a charge not exceeding $10.00 for each additional response.
§ 11-9-617. Rights of transferee of collateral.

(a) *Effects of disposition.* A secured party's disposition of collateral after default:

1. Transfers to a transferee for value all of the debtor's rights in the collateral;
2. Discharges the security interest under which the disposition is made; and
3. Discharges any subordinate security interest or other subordinate lien.

(b) *Rights of good faith transferee.* A transferee that acts in good faith takes free of the rights and interests described in subsection (a) of this Code section, even if the secured party fails to comply with this article or the requirements of any judicial proceeding.

(c) *Rights of other transferee.* If a transferee does not take free of the rights and interests described in subsection (a) of this Code section, the transferee takes the collateral subject to:

1. The debtor's rights in the collateral;
2. The security interest or agricultural lien under which the disposition is made; and
3. Any other security interest or other lien.

(a) Rights and duties of secondary obligor. A secondary obligor acquires the rights and becomes obligated to perform the duties of the secured party after the secondary obligor:

(1) Receives an assignment of a secured obligation from the secured party;

(2) Receives a transfer of collateral from the secured party and agrees to accept the rights and assume the duties of the secured party; or

(3) Is subrogated to the rights of a secured party with respect to collateral.

(b) Effect of assignment, transfer, or subrogation. An assignment, transfer, or subrogation described in subsection (a) of this Code section:

(1) Is not a disposition of collateral under Code Section 11-9-610; and

(2) Relieves the secured party of further duties under this article.
§ 11-9-619. Transfer of record or legal title.

(a) "Transfer statement." As used in this Code section, the term "transfer statement" means a record authenticated by a secured party stating:

(1) That the debtor has defaulted in connection with an obligation secured by specified collateral;

(2) That the secured party has exercised its postdefault remedies with respect to the collateral;

(3) That, by reason of the exercise, a transferee has acquired the rights of the debtor in the collateral; and

(4) The name and mailing address of the secured party, debtor, and transferee.

(b) Effect of transfer statement. A transfer statement entitles the transferee to the transfer of record of all rights of the debtor in the collateral specified in the statement in any official filing, recording, registration, or certificate of title system covering the collateral. If a transfer statement is presented with the applicable fee and request form to the official or office responsible for maintaining the system, the official or office shall:

(1) Accept the transfer statement;

(2) Promptly amend its records to reflect the transfer; and

(3) If applicable, issue a new appropriate certificate of title in the name of the transferee.

(c) Transfer not a disposition; no relief of secured party's duties. A transfer of the record or legal title to collateral to a secured party under subsection (b) of this Code section or otherwise is not of itself a disposition of collateral under this article and does not of itself relieve the secured party of its duties under this article.
§ 11-9-620. Acceptance of collateral in full or partial satisfaction of obligation; compulsory disposition of collateral.

(a) Conditions to acceptance in satisfaction. Except as otherwise provided in subsection (g) of this Code section, a secured party may accept collateral in full or partial satisfaction of the obligation it secures only if:

(1) The debtor consents to the acceptance under subsection (c) of this Code section;

(2) The secured party does not receive, within the time set forth in subsection (d) of this Code section, a notification of objection to the proposal authenticated by:

(A) A person to which the secured party was required to send a proposal under Code Section 11-9-621; or

(B) Any other person, other than the debtor, holding an interest in the collateral subordinate to the security interest that is the subject of the proposal;

(3) If the collateral is consumer goods, the collateral is not in the possession of the debtor when the debtor consents to the acceptance; and

(4) Subsection (e) of this Code section does not require the secured party to dispose of the collateral or the debtor waives the requirement pursuant to Code Section 11-9-624.

(b) Purported acceptance ineffective. A purported or apparent acceptance of collateral under this Code section is ineffective unless:

(1) The secured party consents to the acceptance in an authenticated record or sends a proposal to the debtor; and

(2) The conditions of subsection (a) of this Code section are met.

(c) Debtor's consent. For purposes of this Code section:

(1) A debtor consents to an acceptance of collateral in partial satisfaction of the obligation it secures only if the debtor agrees to the terms of the acceptance in a record authenticated after default; and
(2) A debtor consents to an acceptance of collateral in full satisfaction of the obligation it secures only if the debtor agrees to the terms of the acceptance in a record authenticated after default or the secured party:

(A) Sends to the debtor after default a proposal that is unconditional or subject only to a condition that collateral not in the possession of the secured party be preserved or maintained;

(B) In the proposal, proposes to accept collateral in full satisfaction of the obligation it secures; and

(C) Does not receive a notification of objection authenticated by the debtor within 20 days after the proposal is sent.

(d) Effectiveness of notification. To be effective under paragraph (2) of subsection (a) of this Code section, a notification of objection must be received by the secured party:

(1) In the case of a person to which the proposal was sent pursuant to Code Section 11-9-621, within 20 days after notification was sent to that person; and

(2) In other cases:

(A) Within 20 days after the last notification was sent pursuant to Code Section 11-9-621; or

(B) If a notification was not sent, before the debtor consents to the acceptance under subsection (c) of this Code section.

(e) Mandatory disposition of consumer goods. A secured party that has taken possession of collateral shall dispose of the collateral pursuant to Code Section 11-9-610 within the time specified in subsection (f) of this Code section if:

(1) Sixty percent of the cash price has been paid in the case of a purchase money security interest in consumer goods; or

(2) Sixty percent of the principal amount of the obligation secured has been paid in the case of a nonpurchase money security interest in consumer goods.

(f) Compliance with mandatory disposition requirement. To comply with subsection (e) of this Code section, the secured party shall dispose of the collateral:

(1) Within 90 days after taking possession; or

(2) Within any longer period to which the debtor and all secondary obligors have agreed in an agreement to that effect entered into and authenticated after default.

(g) No partial satisfaction in consumer transaction. In a consumer transaction, a secured party may not accept collateral in partial satisfaction of the obligation it secures.
§ 11-9-621. Notification of proposal to accept collateral.

(a) **Persons to which proposal to be sent.** A secured party that desires to accept collateral in full or partial satisfaction of the obligation it secures shall send its proposal to:

(1) Any person from which the secured party has received, before the debtor consented to the acceptance, an authenticated notification of a claim of an interest in the collateral;

(2) Any other secured party or lienholder that, ten days before the debtor consented to the acceptance, held a security interest in or other lien on the collateral perfected by the filing of a financing statement that:

   (A) Identified the collateral;

   (B) Was indexed under the debtor's name as of that date; and

   (C) Was filed in the office or offices in which to file a financing statement against the debtor covering the collateral as of that date; and

(3) Any other secured party that, ten days before the debtor consented to the acceptance, held a security interest in the collateral perfected by compliance with a statute, regulation, or treaty described in subsection (a) of Code Section 11-9-311.

(b) **Proposal to be sent to secondary obligor in partial satisfaction.** A secured party that desires to accept collateral in partial satisfaction of the obligation it secures shall send its proposal to any secondary obligor in addition to the persons described in subsection (a) of this Code section.
§ 11-9-622. Effect of acceptance of collateral.

(a) Effect of acceptance. A secured party's acceptance of collateral in full or partial satisfaction of the obligation it secures:

(1) Discharges the obligation to the extent consented to by the debtor;
(2) Transfers to the secured party all of a debtor's rights in the collateral;
(3) Discharges the security interest or agricultural lien that is the subject of the debtor's consent and any subordinate security interest or other subordinate lien; and
(4) Terminates any other subordinate interest.

(b) Discharge of subordinate interest notwithstanding noncompliance. A subordinate interest is discharged or terminated under subsection (a) of this Code section, even if the secured party fails to comply with this article.
§ 11-9-623. Right to redeem collateral.

(a) **Persons that may redeem.** A debtor, any secondary obligor, or any other secured party or lienholder may redeem collateral.

(b) **Requirements for redemption.** To redeem collateral, a person shall tender:

1. Fulfillment of all obligations secured by the collateral; and
2. The reasonable expenses and attorney's fees described in paragraph (1) of subsection (a) of Code Section 11-9-615.

(c) **When redemption may occur.** A redemption may occur at any time before a secured party:

1. Has collected collateral under Code Section 11-9-607;
2. Has disposed of collateral or entered into a contract for its disposition under Code Section 11-9-610; or
3. Has accepted collateral in full or partial satisfaction of the obligation it secures under Code Section 11-9-622.
§ 11-9-624. Waiver.

(a) **Waiver of disposition notification.** A debtor or secondary obligor may waive the right to notification of disposition of collateral under Code Section 11-9-611 only by an agreement to that effect entered into and authenticated after default.

(b) **Waiver of mandatory disposition.** A debtor may waive the right to require disposition of collateral under subsection (e) of Code Section 11-9-620 only by an agreement to that effect entered into and authenticated after default.

(c) **Waiver of redemption right.** Except in a consumer goods transaction, a debtor or secondary obligor may waive the right to redeem collateral under Code Section 11-9-623 only by an agreement to that effect entered into and authenticated after default.
§ 11-9-625. Remedies for secured party's failure to comply with article.

(a) Judicial orders concerning noncompliance. If it is established that a secured party is not proceeding in accordance with this article, a court may order or restrain collection, enforcement, or disposition of collateral on appropriate terms and conditions.

(b) Damages for noncompliance. Subject to subsections (c), (d), and (f) of this Code section, a person is liable for damages in the amount of any loss caused by a failure to comply with this article. Loss caused by a failure to comply may include loss resulting from the debtor's inability to obtain, or increased costs of, alternative financing.

(c) Persons entitled to recover damages; statutory damages if collateral is consumer goods transaction. Except as otherwise provided in Code Section 11-9-628:

(1) A person that, at the time of the failure, was a debtor, was an obligor, or held a security interest in or other lien on the collateral may recover damages under subsection (b) of this Code section for its loss; and

(2) If the collateral is consumer goods, a person that was a debtor or a secondary obligor at the time a secured party failed to comply with this part may recover for that failure in any event an amount not less than the credit service charge plus 10 percent of the principal amount of the obligation or the time price differential plus 10 percent of the cash price.

(d) Recovery when deficiency eliminated or reduced. A debtor whose deficiency is eliminated under Code Section 11-9-626 may recover damages for the loss of any surplus. However, a debtor or secondary obligor whose deficiency is eliminated or reduced under Code Section 11-9-626 may not otherwise recover under subsection (b) of this Code section for noncompliance with the provisions of this part relating to collection, enforcement, disposition, or acceptance.

(e) Statutory damages; noncompliance with specified provisions. In addition to any damages recoverable under subsection (b) of this Code section, the debtor, consumer obligor, or person named as a debtor in a filed record, as applicable, may recover $250.00 in each case from a person that:

(1) Fails to comply with Code Section 11-9-208;
(2) Fails to comply with Code Section 11-9-209;

(3) Files a record that the person is not entitled to file under subsection (a) of Code Section 11-9-509;

(4) Fails to cause the secured party of record to file or send a termination statement as required by subsection (a) or (c) of Code Section 11-9-513;

(5) Fails to comply with paragraph (1) of subsection (b) of Code Section 11-9-616 and whose failure is part of a pattern, or consistent with a practice, of noncompliance; or

(6) Fails to comply with paragraph (2) of subsection (b) of Code Section 11-9-616.

(f) Statutory damages; noncompliance with Code Section 11-9-210. A debtor or consumer obligor may recover damages under subsection (b) of this Code section and, in addition, $250.00 in each case from a person that, without reasonable cause, fails to comply with a request under Code Section 11-9-210. A recipient of a request under Code Section 11-9-210 which never claimed an interest in the collateral or obligations that are the subject of a request under that Code section has a reasonable excuse for failure to comply with the request within the meaning of this subsection.

(g) Limitation of security interest; noncompliance with Code Section 11-9-210. If a secured party fails to comply with a request regarding a list of collateral or a statement of account under Code Section 11-9-210, the secured party may claim a security interest only as shown in the list or statement included in the request as against a person that is reasonably misled by the failure.
§ 11-9-626. Action in which deficiency or surplus is in issue.

(a) Applicable rules if amount of deficiency or surplus in issue. In an action arising from a transaction, other than a consumer transaction, in which the amount of a deficiency or surplus is in issue, the following rules apply:

(1) A secured party need not prove compliance with the provisions of this part relating to collection, enforcement, disposition, or acceptance unless the debtor or a secondary obligor places the secured party's compliance in issue;

(2) If the secured party's compliance is placed in issue, the secured party has the burden of establishing that the collection, enforcement, disposition, or acceptance was conducted in accordance with this part;

(3) Except as otherwise provided in Code Section 11-9-628, if a secured party fails to prove that the collection, enforcement, disposition, or acceptance was conducted in accordance with the provisions of this part relating to collection, enforcement, disposition, or acceptance, the liability of a debtor or a secondary obligor for a deficiency is limited to an amount by which the sum of the secured obligation, expenses, and attorney's fees exceeds the greater of:

(A) The proceeds of the collection, enforcement, disposition, or acceptance; or

(B) The amount of proceeds that would have been realized had the noncomplying secured party proceeded in accordance with the provisions of this part relating to collection, enforcement, disposition, or acceptance;

(4) For purposes of subparagraph (B) of paragraph (3) of this subsection, the amount of proceeds that would have been realized is equal to the sum of the secured obligation, expenses, and attorney's fees unless the secured party proves that the amount is less than that sum;

(5) If a deficiency or surplus is calculated under subsection (f) of Code Section 11-9-615, the debtor or obligor has the burden of establishing that the amount of proceeds of the disposition is significantly below the range of prices that a complying disposition to a person other than the secured party, a person related to the secured party, or a secondary obligor would have brought.

(b) Nonconsumer transactions; no inference. The limitation of the rules in subsection (a) of this Code section to transactions other than consumer transactions is intended to leave to the court
the determination of the proper rules in consumer transactions. The court may not infer from that limitation the nature of the proper rule in consumer transactions and may continue to apply established approaches.
§ 11-9-627. Determination of whether conduct was commercially reasonable.

(a) Greater amount obtainable under other circumstances; no preclusion of commercial reasonableness. The fact that a greater amount could have been obtained by a collection, enforcement, disposition, or acceptance at a different time or in a different method from that selected by the secured party is not of itself sufficient to preclude the secured party from establishing that the collection, enforcement, disposition, or acceptance was made in a commercially reasonable manner.

(b) Dispositions that are commercially reasonable. A disposition of collateral is made in a commercially reasonable manner if the disposition is made:

1. In the usual manner on any recognized market;
2. At the price current in any recognized market at the time of the disposition; or
3. Otherwise in conformity with reasonable commercial practices among dealers in the type of property that was the subject of the disposition.

(c) Approval by court or on behalf of creditors. A collection, enforcement, disposition, or acceptance is commercially reasonable if it has been approved:

1. In a judicial proceeding;
2. By a bona fide creditors' committee;
3. By a representative of creditors; or
4. By an assignee for the benefit of creditors.

(d) Approval under subsection (c) of this Code section not necessary; absence of approval has no effect. Approval under subsection (c) of this Code section need not be obtained, and lack of approval does not mean that the collection, enforcement, disposition, or acceptance is not commercially reasonable.
§ 11-9-628. Nonliability and limitation on liability of secured party; liability of secondary obligor.

(a) Limitation of liability of secured party for noncompliance with article. Unless a secured party knows that a person is a debtor or obligor, knows the identity of the person, and knows how to communicate with the person:

(1) The secured party is not liable to the person, or to a secured party or lienholder that has filed a financing statement against the person, for failure to comply with this article; and

(2) The secured party's failure to comply with this article does not affect the liability of the person for a deficiency.

(b) Limitation of liability based on status as secured party. A secured party is not liable because of its status as secured party:

(1) To a person that is a debtor or obligor, unless the secured party knows:

   (A) That the person is a debtor or obligor;
   (B) The identity of the person; and
   (C) How to communicate with the person; or

(2) To a secured party or lienholder that has filed a financing statement against a person, unless the secured party knows:

   (A) That the person is a debtor; and
   (B) The identity of the person.

(c) Limitation of liability if reasonable belief that transaction not a consumer goods transaction or consumer transaction. A secured party is not liable to any person, and a person's liability for a deficiency is not affected, because of any act or omission arising out of the secured party's reasonable belief that a transaction is not a consumer goods transaction or a consumer transaction or that goods are not consumer goods, if the secured party's belief is based on its reasonable reliance on:
(1) A debtor's representation concerning the purpose for which collateral was to be used, acquired, or held; or

(2) An obligor's representation concerning the purpose for which a secured obligation was incurred.

(d) Limitation of liability for statutory damages. A secured party is not liable to any person under paragraph (2) of subsection (c) of Code Section 11-9-625 for its failure to comply with Code Section 11-9-616.

(e) Limitation of multiple liability for statutory damages. A secured party is not liable under paragraph (2) of subsection (c) of Code Section 11-9-625 more than once with respect to any one secured obligation.
§ 11-9-701. Effective date.

This article takes effect on July 1, 2001.
§ 11-9-702.  Savings clause.

(a)  Pre-effective date transactions or liens.  Except as otherwise provided in this part, this article applies to a transaction or lien within its scope, even if the transaction or lien was entered into or created before July 1, 2001.

(b)  Continuing validity.  Except as otherwise provided in subsection (c) of this Code section and Code Sections 11-9-703 through 11-9-709:

(1) Transactions and liens that were not governed by former Article 9 of this title, were validly entered into or created before July 1, 2001, and would be subject to this article if they had been entered into or created on or after July 1, 2001, and the rights, duties, and interests flowing from those transactions and liens remain valid on or after July 1, 2001; and

(2) The transactions and liens may be terminated, completed, consummated, and enforced as required or permitted by this article or by the law, as amended and in effect from time to time, that otherwise would apply before July 1, 2001.

(c)  Pre-effective date proceedings.  This article and amendments to other Code sections which amendments were enacted in conjunction with this article do not affect an action, case, or proceeding commenced before July 1, 2001.
§ 11-9-703. Security interest perfected before effective date.

(a) Continuing priority over lien creditor; perfection requirements satisfied. A security interest that is enforceable immediately before July 1, 2001, and would have priority over the rights of a person that becomes a lien creditor at that time is a perfected security interest under this article if, on July 1, 2001, the applicable requirements for enforceability and perfection under this article are satisfied without further action.

(b) Continuing priority over lien creditor; perfection requirements not satisfied. Except as otherwise provided in Code Section 11-9-705, if, immediately before July 1, 2001, a security interest is enforceable and would have priority over the rights of a person that becomes a lien creditor at that time, but the applicable requirements for enforceability or perfection under this article are not satisfied on July 1, 2001, the security interest:

(1) Is a perfected security interest on and for one year after July 1, 2001;

(2) Remains enforceable thereafter only if the security interest becomes enforceable under Code Section 11-9-203 before the year expires; and

(3) Remains perfected thereafter only if the applicable requirements for perfection under this article are satisfied before the year expires.
§ 11-9-704. Security interest unperfected before effective date.

A security interest that is enforceable immediately before July 1, 2001, but which would be subordinate to the rights of a person that becomes a lien creditor at that time:

(1) Remains an enforceable security interest on and for one year after July 1, 2001;

(2) Remains enforceable thereafter if the security interest becomes enforceable under Code Section 11-9-203 on July 1, 2001, or within one year thereafter; and

(3) Becomes perfected:

   (A) Without further action, on July 1, 2001, if the applicable requirements for perfection under this article are satisfied before or at that time; or

   (B) When the applicable requirements for perfection are satisfied if the requirements are satisfied after that time.
§ 11-9-705. Effectiveness of action taken before effective date.

(a) Pre-effective date action; one-year perfection period unless reperfected. If action, other than the filing of a financing statement, is taken before July 1, 2001, and the action would have resulted in priority of a security interest over the rights of a person that becomes a lien creditor had the security interest become enforceable before July 1, 2001, the action is effective to perfect a security interest that attaches under this article within one year after July 1, 2001. An attached security interest becomes unperfected one year after July 1, 2001, unless the security interest becomes a perfected security interest under this article before the expiration of that period.

(b) Pre-effective date filing. The filing of a financing statement before July 1, 2001, is effective to perfect a security interest to the extent the filing would satisfy the applicable requirements for perfection under this article.

(c) Pre-effective date filing in jurisdiction formerly governing perfection. This article and amendments to other Code sections which amendments were enacted in conjunction with this article do not render ineffective an effective financing statement that, before July 1, 2001, is filed and satisfies the applicable requirements for perfection under the law of the jurisdiction governing perfection as provided in former Code Section 11-9-103. However, except as otherwise provided in subsections (d) and (e) of this Code section and Code Section 11-9-706, the financing statement ceases to be effective at the earlier of:

1. The time the financing statement would have ceased to be effective under the law of the jurisdiction in which it is filed; or

(d) Continuation statement. The filing of a continuation statement on or after July 1, 2001, does not continue the effectiveness of the financing statement filed before July 1, 2001. However, upon the timely filing of a continuation statement on or after July 1, 2001, and in accordance with the law of the jurisdiction governing perfection as provided in Part 3 of this article, the effectiveness of a financing statement filed in the same office in that jurisdiction before July 1, 2001, continues for the period provided by the law of that jurisdiction.

(e) Application of paragraph (2) of subsection (c) of this Code section to transmitting utility financing statement. Paragraph (2) of subsection (c) of this Code section applies to a financing statement that, before July 1, 2001, is filed against a transmitting utility and satisfies the applicable
requirements for perfection under the law of the jurisdiction governing perfection as provided in former Code Section 11-9-103 only to the extent that Part 3 of this article provides that the law of a jurisdiction other than jurisdiction in which the financing statement is filed governs perfection of a security interest in collateral covered by the financing statement.

(f) Application of Part 5 of this article. A financing statement that includes a financing statement filed before July 1, 2001, and a continuation statement filed on or after July 1, 2001, is effective only to the extent that it satisfies the requirements of Part 5 of this article for an initial financing statement.
§ 11-9-706. When initial financing statement suffices to continue effectiveness of financing statement.

(a) Initial financing statement in lieu of continuation statement. The filing of an initial financing statement in the office specified in Code Section 11-9-501 continues the effectiveness of a financing statement filed before July 1, 2001, if:

   1. The filing of an initial financing statement in that office would be effective to perfect a security interest under this article;
   2. The pre-effective date financing statement was filed in an office in another state or another office in this state; and
   3. The initial financing statement satisfies subsection (c) of this Code section.

(b) Period of continued effectiveness. The filing of an initial financing statement under subsection (a) of this Code section continues the effectiveness of the pre-effective date financing statement:

   1. If the initial financing statement is filed before July 1, 2001, for the period provided in former Code Section 11-9-403 with respect to a financing statement; and
   2. If the initial financing statement is filed on or after July 1, 2001, for the period provided in Code Section 11-9-515 with respect to an initial financing statement.

(c) Requirements for initial financing statement under subsection (a) of this Code section. To be effective for purposes of subsection (a), an initial financing statement must:

   1. Satisfy the requirements of Part 5 of this article for an initial financing statement;
   2. Identify the pre-effective date financing statement by indicating the office in which the financing statement was filed and providing the dates of filing and file numbers, if any, of the financing statement and of the most recent continuation statement filed with respect to the financing statement; and
   3. Indicate that the pre-effective date financing statement remains effective.
§ 11-9-707. Amendment of pre-effective date financing statement.

(a) "Pre-effective date financing statement." In this Code section, "pre-effective date financing statement" means a financing statement filed before July 1, 2001.

(b) Applicable law. On or after July 1, 2001, a person may add or delete collateral covered by, continue or terminate the effectiveness of, or otherwise amend the information provided in a pre-effective date financing statement only in accordance with the law of the jurisdiction governing perfection as provided in Part 3 of this article. However, the effectiveness of a pre-effective date financing statement also may be terminated in accordance with the law of the jurisdiction in which the financing statement is filed.

(c) Method of amending: general rule. Except as otherwise provided in subsection (d) of this Code section, if the law of this state governs perfection of a security interest, the information in a pre-effective date financing statement may be amended on or after July 1, 2001, only if:

(1) The pre-effective date financing statement and an amendment are filed in the office specified in Code Section 11-9-501;

(2) An amendment is filed in the office specified in Code Section 11-9-501 concurrently with, or after the filing in that office of, an initial financing statement that satisfies subsection (c) of Code Section 11-9-706; or

(3) An initial financing statement that provides the information as amended and satisfies subsection (c) of Code Section 11-9-706 is filed in the office specified in Code Section 11-9-501.

(d) Method of amending: continuation. If the law of this state governs perfection of a security interest, the effectiveness of a pre-effective date financing statement may be continued only under subsections (d) and (f) of Code Section 11-9-705 or Code Section 11-9-706.

(e) Method of amending: additional termination rule. Whether or not the law of this state governs perfection of a security interest, the effectiveness of a pre-effective date financing statement filed in this state may be terminated on and after July 1, 2001, by filing a termination statement in the office in which the pre-effective date financing statement is filed, unless an initial financing statement that satisfies subsection (c) of Code Section 11-9-706 has been filed in the office specified by the law of the jurisdiction governing perfection as provided in Part 3 of this article as the office in which to file a financing statement.
§ 11-9-708. Persons entitled to file initial financing statement or continuation statement.

A person may file an initial financing statement or a continuation statement under this part if:

(1) The secured party of record authorizes the filing; and

(2) The filing is necessary under this part:

   (A) To continue the effectiveness of a financing statement filed before July 1, 2001; or

   (B) To perfect or continue the perfection of a security interest.
§ 11-9-709. Priority.

(a) *Law governing priority.* This article determines the priority of conflicting claims to collateral. However, if the relative priorities of the claims were established before July 1, 2001, former Article 9 of this title determines priority.

(b) *Priority if security interest becomes enforceable under Code Section 11-9-203.* For purposes of subsection (a) of Code Section 11-9-322, the priority of a security interest that becomes enforceable under Code Section 11-9-203 dates from July 1, 2001, if the security interest is perfected under this article by the filing of a financing statement before July 1, 2001, which would not have been effective to perfect the security interest under former Article 9 of this title. This subsection does not apply to conflicting security interests each of which is perfected by the filing of such a financing statement.
§ 11-9-710. Exculpation.

From July 1, 2001, until July 1, 2006, any search company shall not be liable to its customer as a result of failing to disclose the existence of a filed financing statement in any filing office or index maintained by the authority searched in good faith by such search company to the extent such failure is attributable either to the failure of such filing office or the authority, as the case may be, to have properly indexed such filed financing statement or to the failure of the search logic used by such filing office or the authority, as the case may be, to disclose such filed financing statement in response to a search in the appropriate records of such filing office or of such index in the name provided to such search company by its customer. As used in this Code section, "search company" shall mean any person engaged in the business of conducting or arranging searches of public records of filed financing statements. On and after July 1, 2006, the liability of a search company shall be determined by law other than this article.
§ 11-9-801.  Effective Date.

This [Act] takes effect on July 1, 2013.

[NCCUSL NOTE: REFERENCES TO "ACT" ARE USED IN PART 8 TO REFER TO THE LEGISLATION ENACTING THE AMENDMENTS TO ARTICLE 9, NOT THE LEGISLATION THAT ENACTED ARTICLE 9]
§ 11-9-802. Savings Clause.

(a) Pre-effective-date transactions or liens. Except as otherwise provided in this part, this Act applies to a transaction or lien within its scope, even if the transaction or lien was entered into or created before this Act takes effect.

(b) Pre-effective-date proceedings. This Act does not affect an action, case, or proceeding commenced before this Act takes effect.
§ 11-9-803. Security Interest Perfected Before Effective Date.

(a) Continuing perfection: perfection requirements satisfied. A security interest that is a perfected security interest immediately before this [Act] takes effect is a perfected security interest under [Article 9 as amended by this [Act]] if, when this [Act] takes effect, the applicable requirements for attachment and perfection under [Article 9 as amended by this [Act]] are satisfied without further action.

(b) Continuing perfection: perfection requirements not satisfied. Except as otherwise provided in Code Section 11-9-805, if, immediately before this [Act] takes effect, a security interest is a perfected security interest, but the applicable requirements for perfection under [Article 9 as amended by this [Act]] are not satisfied when this [Act] takes effect, the security interest remains perfected thereafter only if the applicable requirements for perfection under [Article 9 as amended by this [Act]] are satisfied within one year after this [Act] takes effect.
§ 11-9-804. Security Interest Unperfected Before Effective Date.

A security interest that is an unperfected security interest immediately before this Act takes effect becomes a perfected security interest:

(1) without further action, when this Act takes effect if the applicable requirements for perfection under Article 9 as amended by this Act are satisfied before or at that time; or

(2) when the applicable requirements for perfection are satisfied if the requirements are satisfied after that time.
§ 11-9-805. Effectiveness of Action Taken Before Effective Date.

(a) Pre-effective-date filing effective. The filing of a financing statement before this [Act] takes effect is effective to perfect a security interest to the extent the filing would satisfy the applicable requirements for perfection under [Article 9 as amended by this [Act]].

(b) When pre-effective-date filing becomes ineffective. This [Act] does not render ineffective an effective financing statement that, before this [Act] takes effect, is filed and satisfies the applicable requirements for perfection under the law of the jurisdiction governing perfection as provided in [Article 9 as it existed before amendment]. However, except as otherwise provided in subsections (c) and (d) of this Code section and Code Section 11-9-806, the financing statement ceases to be effective:

(1) if the financing statement is filed in this State, at the time the financing statement would have ceased to be effective had this [Act] not taken effect; or

(2) if the financing statement is filed in another jurisdiction, at the earlier of:

(A) the time the financing statement would have ceased to be effective under the law of that jurisdiction; or

(B) June 30, 2018.

(c) Continuation statement. The filing of a continuation statement after this [Act] takes effect does not continue the effectiveness of a financing statement filed before this [Act] takes effect. However, upon the timely filing of a continuation statement after this [Act] takes effect and in accordance with the law of the jurisdiction governing perfection as provided in [Article 9 as amended by this [Act]], the effectiveness of a financing statement filed in the same office in that jurisdiction before this [Act] takes effect continues for the period provided by the law of that jurisdiction.

(d) Application of Part 5. A financing statement that includes a financing statement filed before this [Act] takes effect and a continuation statement filed after this [Act] takes effect is effective only to the extent that it satisfies the requirements of [Part 5 as amended by this [Act]] for an initial financing statement. A financing statement that indicates that the debtor is a decedent’s estate indicates that the collateral is being administered by a personal representative within the meaning of subsection (a)(2) of Code Section 11-9-503 as amended by this [Act]. A financing statement that indicates that the debtor is a trust or is a trustee acting with respect to
property held in trust indicates that the collateral is held in a trust within the meaning of subsection (a)(3) of Code Section 11-9-503 as amended by this [Act].

(a) Initial financing statement in lieu of continuation statement. The filing of an initial financing statement in the office specified in Code Section 11-9-501 continues the effectiveness of a financing statement filed before this [Act] takes effect if:

(1) the filing of an initial financing statement in that office would be effective to perfect a security interest under [Article 9 as amended by this [Act]]; and

(2) the pre-effective-date financing statement was filed in an office in another State; and

(3) the initial financing statement satisfies subsection (c).

(b) Period of continued effectiveness. The filing of an initial financing statement under subsection (a) of this Code section continues the effectiveness of the pre-effective-date financing statement:

(1) if the initial financing statement is filed before this [Act] takes effect, for the period provided in [unamended Code Section 11-9-515] with respect to an initial financing statement; and

(2) if the initial financing statement is filed after this [Act] takes effect, for the period provided in Code Section 11-9-515 as amended by this [Act] with respect to an initial financing statement.

(c) Requirements for initial financing statement under subsection (a) of this Code section. To be effective for purposes of subsection (a) of this Code section, an initial financing statement must:

(1) satisfy the requirements of [Part 5 as amended by this [Act]] for an initial financing statement;

(2) identify the pre-effective-date financing statement by indicating the office in which the financing statement was filed and providing the dates of filing and file numbers, if any, of the financing statement and of the most recent continuation statement filed with respect to the financing statement; and

(3) indicate that the pre-effective-date financing statement remains effective.
§ 11-9-807. Amendment of Pre-Effective-Date Financing Statement.

(a) “Pre-effective-date financing statement”. In this section, “pre-effective-date financing statement” means a financing statement filed before this [Act] takes effect.

(b) Applicable law. After this [Act] takes effect, a person may add or delete collateral covered by, continue or terminate the effectiveness of, or otherwise amend the information provided in, a pre-effective-date financing statement only in accordance with the law of the jurisdiction governing perfection as provided in [Article 9 as amended by this [Act]]. However, the effectiveness of a pre-effective-date financing statement also may be terminated in accordance with the law of the jurisdiction in which the financing statement is filed.

(c) Method of amending: general rule. Except as otherwise provided in subsection (d) of this Code section, if the law of this State governs perfection of a security interest, the information in a pre-effective-date financing statement may be amended after this [Act] takes effect only if:

(1) the pre-effective-date financing statement and an amendment are filed in the office specified in Code Section 11-9-501;

(2) an amendment is filed in the office specified in Code Section 11-9-501 concurrently with, or after the filing in that office of, an initial financing statement that satisfies subsection (c) of Code Section 11-9-806; or

(3) an initial financing statement that provides the information as amended and satisfies subsection (c) of Code Section 11-9-806 is filed in the office specified in Code Section 11-9-501.

(d) Method of amending: continuation. If the law of this State governs perfection of a security interest, the effectiveness of a pre-effective-date financing statement may be continued only under subsections (c) and (e) of Code Section 11-9-805 or Code Section 11-9-806.

(e) Method of amending: additional termination rule. Whether or not the law of this State governs perfection of a security interest, the effectiveness of a pre-effective-date financing statement filed in this State may be terminated after this [Act] takes effect by filing a termination statement in the office in which the pre-effective-date financing statement is filed, unless an initial financing statement that satisfies subsection (c) of Code Section 11-9-806 has been filed in the office specified by the law of the jurisdiction governing perfection as provided in [Article 9 as amended by this [Act]] as the office in which to file a financing statement.
§ 11-9-808. Person Entitled to File Initial Financing Statement or Continuation Statement.

A person may file an initial financing statement or a continuation statement under this part if:

(1) the secured party of record authorizes the filing; and

(2) the filing is necessary under this part:

(A) to continue the effectiveness of a financing statement filed before this [Act] takes effect; or

(B) to perfect or continue the perfection of a security interest.
§ 11-9-809. Priority.

This [Act] determines the priority of conflicting claims to collateral. However, if the relative priorities of the claims were established before this [Act] takes effect, [Article 9 as it existed before amendment] determines priority.
