

Required Information before beginning the Child Support Worksheet (Statistics Form)

Dear Volunteer,

Before you begin your call with the caller, you will need to determine if he or she is eligible for this service. Please follow the instructions below to determine eligibility:

Please ask:

1. In what county is the case pending? _____.

If the case is pending in Fulton, Cobb, DeKalb, Clayton or Gwinnett County, you must end the call. You can refer them to Atlanta Legal Aide at 404-524-5811.

2. How many persons are in the caller's household? _____
(To clarify, how many would he/she say she supporting? They do not have to include a relative or a friend if they are living with someone temporarily.)

3. What is the household income at this time? _____
(To clarify, use the caller's income only.)

The 2015 Poverty Guideline is attached. If the caller's annual income and household number exceed 125% of the poverty guideline, then you must end the call. You can refer them to the State Bar of Georgia- website only.

4. If the caller is within the 125% of the poverty guidelines and the case is outside of metro Atlanta, you may begin the call and do the Child Support Worksheet.
